

Mini Slide Mount Book

Cover your slide mount.

Trace around a slide mount onto card and cut out 2 card pieces.

Cover both pieces of your card with chosen paper.

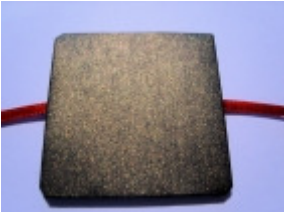

Attach your chosen photo behind your slide mount.

Cut a length of ribbon that will be long enough to go around your book and tie and attach to the back of your slide mount piece.

Attach one of the covered pieces of card to the back of the slide mount piece.

Take a piece of A4 thick paper or thin card and mark out the width of the slide out down the page and mark out sections across the page. You will need 2 strips.

Cut out the strips and concertina along the sections.

Glue the end of one piece to the other piece to form one long concertined strip.

Cut off the last section

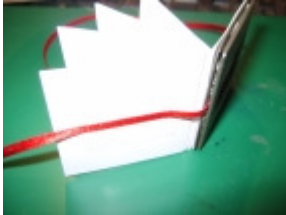

Glue the back of the sections to form the book.

Stick the ribbon to the back part of the book

Attach the other piece of covered card to the back of the book
