

## Simple Embelishments From Templates

Download the template file and print out onto card.

### Shoe

Trace the template on the reverse of you card

Cut out

With a maker pen colour the heel black.

Using a glue pen, glue the area you want to add glitter to.

Sprinkle with glitter.

Shake off excess glitter and allow to dry.

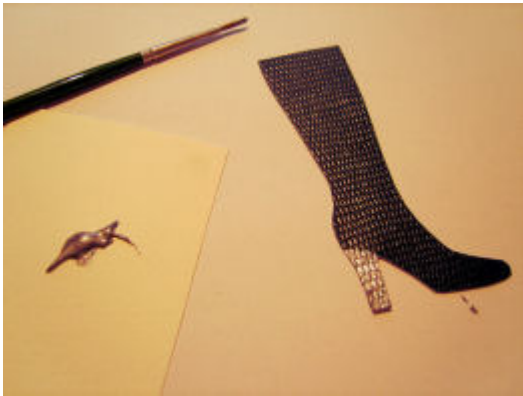

## **Boot**

Trace the template on the reverse of the card and cut out.

Paint the heel silver with acrylic paint.

Using your finger apply highlights of silver acrylic paint over the boot. Take care not to add too much. Dab off some of the paint first on a scrap piece of paper. Allow to dry.

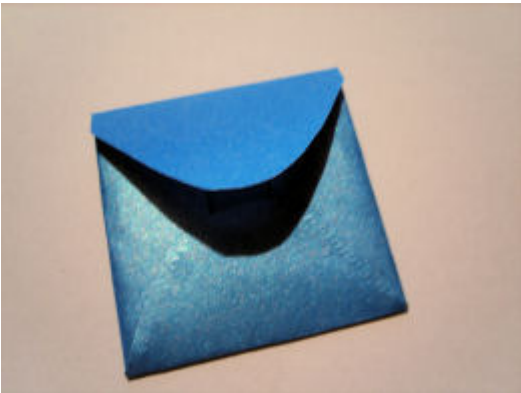

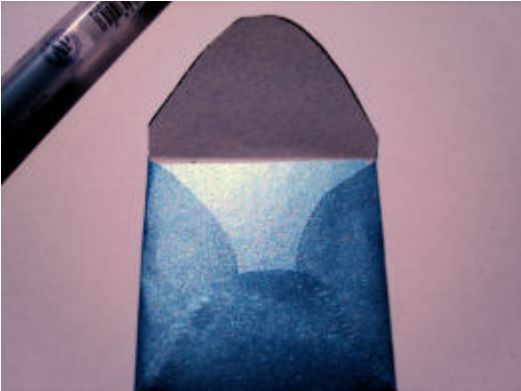

## **Envelope**

Trace the template on the reverse of the paper and cut out. Fold on fold line. using glue pen glue edgest to be stuck.

Fold over and hold for a few seconds until the envelope sticks. I have cut out a small piece of the same paper and inserted it inside the envelope.

## **Flower**

Cut out 3 size flowers in contrasting papers.

Attach in the centre with a brad.

## T-shirt

Using a pen write the wording on the t-shirt design.

Of course these are just a few ideas and you are only limited by your imagination. There are also other templates in the download file which are not covered here. The handbag/purse template can be cut from card and decorated. Add ribbon for the strap. You could also use fabric for this project. Adhere fabric to card using fusible bond and cut out the shape. Fold, add a stap and glue in place. The wine bottle can be decorated with customizable labels. For the fan you will need 6 parts. Attach with a brad or eyelet and tassel.
