## STOP PRESS

Simon Springell  
has just landed a  
stunning fully  
scaled Mirror at  
18lb 9oz.  
Happy days!! ☺

We decided to hold a December match for coarse fishing which, for added interest and sport, we spread over both coarse and specimen lakes. Tony Richards, winner of this annual Burton Springs Christmas match landed an impressive 30lbs 2oz from swim 1. Tony was closely followed by Darryl with 25lbs. Thanks to all who took part and also to Brian Gay from V2V angling for donating some fantastic fishing videos towards a really good prize pool.

Coarse lake matches arranged by us are open to all so anyone who fancies having a go should let us know so that we can keep you informed of match dates.

And finally, we believe a 21lb 10oz Common was caught from the Coarse lake by Andy Freeman on 2 maggots but unfortunately we don't have a photo to show you. That must have put a bend in the waggler! So Andy, if you're reading this and you took a photo, please can we have it?

## News from the Specimen Lake

Despite very muddy conditions and the odd shower, fishing on this lake has been really good. The carp are feeding with a flourish and most sessions have produced decent sized carp of all types. They are taking maggot as well as boilies baited heavily. If you come down wellies are definitely advisable all around the lake. Until conditions underfoot improve we are requesting that only those actually fishing use the lake, so that all traffic is kept to a minimum. The winter ticket price of £15 has been well supported but will revert to normal at £20 for 24 hours for bookings commencing on or after 1<sup>st</sup> March 2013.

We are receiving an increasing number of requests for exclusive use on the lake so we thought it would be helpful to advertise rates here as it is becoming very popular for groups to want to claim the space for themselves. These rates do not include school or public holidays so you would need to enquire separately for such dates.

1<sup>st</sup> November to 28<sup>th</sup> February

Weekdays (14.00 Sunday to 14.00 Friday)

£100 for 24 hours

Weekend (14.00 Friday to 14.00 Sunday)

## Catch News

Some beautiful fish have been banked recently and James, Andy and Aaron have enjoyed the fun and excitement of double hook ups. Just before Christmas Sweetcheeks was banked by Dan Hole on swim 2 (part of a 16 carp haul in 72 hours!!). In the same session Scott Saunders fishing swim 1 banked his 23rd DIFFERENT 20lbs + carp from our lake, an incredible achievement.

Below are just a few tasters for you but many more can be found on our facebook and twitter pages.

## General News

You will probably all be pleased to read that at the time of writing we are working on the drive into the fishery to try and make it more level but progress will depend on the weather. In time we hope to extend the work by improving access down to the specimen lake as well.
