MEETING OPEN TO PUBLIC COMMENT:

L. Eckhardt: this meeting is to further discuss the Opening of Roads, made some revisions since the last meeting back on February 15th. The board is capable of revising the permit fees by resolution we can do this yearly. If you are a utility or resident building under the Town road you will have to go through a permit process.

T. Quimby: haven't read this, is it possible to have two fee schedules one for commercial and one for residents?

L. Eckhardt: yes, years ago someone installed the phone line and it's not more than 6" under the ground, our highway trucks end up pulling the line.

T. Quimby: and this is in the Town's best interest to put this in place?

L. Eckhardt: yes, the fee is set by resolution so it can be changed without changing the law.

B. Jennings: a lot of other Towns have this.

T. Quimby: agrees it's a great idea.

L. Eckhardt: any other comments or questions?

No more public comment L. Eckhardt calls to adjourn meeting.
