Committee Reports

Audit Committee: We have a volunteer to head the audit committee. Minutes will be checked to find the name of the volunteer to chair the audit committee.

Building Committee: Fowler has completed the work on fixing the toilet. This repair was free of charge. Erwin Michel has completed the trimming of the tree between the pole barn and the fence.

Docks: Two docks have not been paid for this year. Registered letters will be sent to those two individuals informing them that they are in arrears of their payments. They will be given 30 days to pay their fees or the Association will reclaim their docks. They will receive \$175.00 as per the contract. The ramp in Park One is in need of rock. A motion was made by Gary Nuernberger that we get quotes for 50-pound rocks to be placed at the end of the ramp to correct the problem. It was seconded by Peggy Griffith. Motion passed. It was suggested that we also get a quote for rocking the shoreline in Park Four.
