I can do all things through Him Who strengthens me

REPORT FOR THE MONTH OF NOVEMBER, 2016 (TOM EKPOT JR.)

Greetings to all of you who love God; who wait for the return of our Savior Jesus Christ. May His grace reach you in all your endeavors. I appreciate each and every one of you for your encouragement and constant prayers for the work in Africa. The world is gradually becoming more dangerous to live in, but our effort must also be intensified in turning people's eyes' from darkness to light. The year is coming to an end, we thank God who has brought us this far, we trust Him that He will take us to end of this year safely, and not only the end of this year, but will continue to be with us to the end of our life on earth.

The month of November, 2016 has come and gone but the memories remain. As I mentioned in my October report, I was invited to speak in the Annual Gospel Lectureship of the Kaddo Church of Christ, in the Federal Capital Territory on 18-20th November. The targeted audience was those of denominations, and the lessons were

designed to meet their needs. I spoke on How to identify the Great Church Jesus Built.” It was an interesting program as I was opoportune to address a crowd of over 400 people. See a cross section of the audience at Kaddo Church of Christ, Abuja below. On Sunday morning, 20th November, I was invited to present life lesson in the Ray Power Radio, and people were calling asking questions. It was exciting. At the School of Biblical Studies, we had a hectic period during the month. We had the first semester exam that ended on the 30th. The students have since then proceeded on Christmas holiday. We thank God for successful semester despite all the rumors of terror we heard. Thank you for your prayers.

The young congregations at Foron, Foron Mission and Mazah Road are still moving on well. At Foron Mission, we are laboring to encourage the young converts, whom we baptized last month to be coming for worship. Their parents who stanch denominationalists are hindering them. We are still trying to get their parents for discussion. But it is difficult of us because this is harvest season, men go to farm to bring their produce home. May be the only time one could meet them is in the night, and so unfortunate, we are not leaving close by. The road is dangerous we cannot even go there in the night. Keep praying for us for God to give us open door to reach these men and many more. May God bless you and give you a happy month of December. Wishing Merry Christmas in advance. My wife and Children salute you all in love.
