REPORT FOR THE MONTH OF FEBRUARY 2017 (TOM EK POT JR)

Dear beloved in Christ, I salute you in Jesus name. I sincerely hope that the grace of God was sufficient for every one of you throughout the month. We are deeply grateful for your prayers and continuous care for us in Africa. Thank your for praying for my parents who became serious ill the same time. My mom has improve remarkably, but my dad is still struggling with things. Medical care is another challenge we have here. Things have not been going on well in Nigeria economically and politically. The Country experienced the highest level of inflation in the history of the nation since the beginning of the year. Politically, the month of February witnessed so much insecurity in the Country. But despite all these, God saw us through the month. Even though we cannot say if

things will get better as there is no plan on ground on the part of the Government to remove the country out of the worse economic recession it is in, we strongly believe that our God is able to sustain His own.

Our weekly outreach in Foron Mission continues. We know it took several years for Satan to harden people's minds. Hence, we may not be able to overturn things so easily. What gives me great joy is the zeal of the women in Foron in carrying out the mission of spreading the gospel even in my absence. Last month, I was able to produce one tract titled, "Making Melody in Your heart." I produced 1000 copies first to see people's interest in the tract. I am working on another one which will soon come out of the press, title: "Do Not Remove Ancient Landmarks." This is intended to reach those who have amended God's instructions. It covers issues ranging from

"What Must I Do to Be Saved to Christian Living." I hope this will complement our effort especially with people we cannot get their audience to discuss the Bible. I hope the tract will generate interest such that they will begin to give us attention.

This however does not stop our attempt to reach everybody with the truth in door-knocking exercise. Increasingly, with the level of depreciated economy, it becomes hard to gain people's attention since everybody is trying to double up to make ends meet. Please, keep praying for all our prospects. My Friday Bible class at Mazah Road Church of Christ is ongoing. I thank God for using me because I learn several things each time I handle that class. So I always look forward to the class. Sandra also handles teenage girls and women class on Saturday.

By the grace of God, I hope to leave Jos to Cameroon on the 7th of March. I will be speaking on the "Influence of Home on Church Growth" in the Gospel Lectureship organized by Bamenda Church of Christ in the North East Province. I hope to meet Abasiama and the Mile 1 Church of Christ at Limbe in the South East Province. Please, keep praying for me in view of the risk involved in entering Cameroon from the North. In recent time, Nigeria terrorist group unleashed their terror on this region. The southern region is safe. The visit will about five days. I am expected to return to Jos on the 13th of March to handle my classes at the School of Biblical Studies. Brethren, once again I say thank you for supporting us to do the work.

Email from Nigeria – rec'd last week

Dear brother Holloway,
Greetings to you and to my beloved sister Donna. I am requesting for prayers of the saints for my dad and mom. Two of them are very sick at the moment. I know God can help them to recover. My father lost his junior sister a week ago. I know this might contributed to his fallen health issue. I can't figure out what the problem is with my mom. Her case started this evening. Please, pray for them.
