LGS RECREATION

2006 Primary Mathematics World Contest (PMWC) Team Tryout

Choose either tryout date on **2/6/06 (Mon)** or **2/7/06 (Tue)** from **7-8:15pm** at **Argonaut School Cafeteria** (13200 Shadow Mountain Drive, Saratoga). Register with *LGS Recreation* at www.lgsrecreation.org or call (408) 354-8700.

For more info and sample problems, visit www.mathedge.org, email at mathedge.org, call (408) 725-2680, or come to *MathEdge* (7246 Sharon Drive, San Jose) on **1/7/06 (Sat)** or **1/8/05 (Sun)** from **2-5pm**.

If your child enjoys solving math problems (born after 9/1/92, and attend 7th grade or lower) he/she is invited to tryout for the **USA-Silicon Valley** team to compete in an International math contest in Hong Kong in July 2006. It is a unique opportunity for the Elementary and Junior High students to have an academic and cultural exchange with children from other part of the World. Team participation is by invitation and each country is entitled to send a team. Last year 44 teams from many countries participated and the USA-Silicon Valley team, being the only team representing USA and first time participating, won 3 honorable awards.

To qualify for the team, the students must take the **tryout test consist of 20 non multiple-choice word problems done in 45 mins without calculator**. Based on the tryout score, we plan to select about top10% students to go through an 8-week training. Another test will be administered to select the final 4 to 8 students for the final training till June.

For the final selected students, **all expenses in Hong Kong for five days including room, board, and local tours will be covered**. However, the student is responsible for his/her airfare, training costs, and other expenses.

Tryout results will be notified through email within 2 weeks after the tryout test. Must provide us at least one parent's email address, the student's date of birth, and grade.
