Presidents Message

WELCOME BACK!

I hope that each and every one of you enjoyed our “summer break” and had the opportunity to travel, visit with family and friends and join us for our Pizza Get Together, Summer Happening and Pot Luck Supper. Have a fun and safe Labor Day on Sept 5.

It doesn't seem possible that here we are in September and before we know it – there will be the holiday cards, wrapping paper and gift ideas showing up in the grocery stores and pharmacies.

At the time of our meeting on September 1st I will be in Amsterdam touring the city and then boarding a barge on the 3rd of September to do a biking and barge trip from Amsterdam to Bruges. Sandy Tuveson, our treasurer is also on this adventure with me.

Patda De La Torre, our vice president, will be leading our meeting and doing a fine job. We have an interesting program for September – we will have Debby Ericson, from Visit Sarasota, coming to our meeting with a film that will be full of information for our members and guests to know about Sarasota as we entertain our Global Arts exchange the first of the new year.

Looking forward to seeing everyone at our October 6th meeting,

Thank you, Barb Hahn, 941-266-9802, barbhahn@gmail.com

NEED YOUR HELP

Friendship Force Sarasota is in **search of a vice president for this coming year**. Patda De La Torre kindly stepped up to assist the club in the vice president position through the end of this year – December 2016.

Our nominating committee has been working diligently to find a member to join the board in 2017 in the vice president position to no avail. Thus, this “Help Wanted” notice in our newsletter.

I can speak from my own experience; I had just joined FF Sarasota in January of 2014, when a similar “call” was sent to everyone for a vice president in late summer of 2014. As all of you, when I join something I do so because I truly believe in it and want to be involved and contribute to its continued success. I responded to the “call” and became the club’s vice president in 2015.

It’s not a difficult position to serve. There may be three items that could possibly concern a potential candidate: 1. board meetings are held once a month (the 4th Wednesday) of our “meeting months”; 2. the other possible “big item” is doing the programs for our 6 months that require a program. Please don’t be intimidated, you have a whole board at your right arm who are only a phone call away to assist in any needs you have. Finally, 3. is the impression that “if you are vice president” you are expected to be president. Nothing could be further from the truth! There are **no presumptions** that the vice president goes on to be president. Certainly, you can if you should so desire, but you are not expected to do this.

Right now programs have been planned up to and including January 2017. The months remaining are: April, May, June, September, October and November. March is our annual dinner and December is the Holiday Party. During the summer break months we attempt to have a “Summer Happening” as a social get together.

We are reaching out to all Friendship Force Sarasota members to seriously consider assisting their club and stepping up to be the vice president in 2017. **Please contact Katy Goodwin, chair of the nominating committee** if you have further questions or concerns or just need to talk with someone.

Thank you all for your time, attention, and consideration – Barb Hahn

Committee Reports

Membership- Peggy Hayden. Thanks to everyone who is spreading the word about FF to their friends. In fact, the majority of our new members are the result of one of YOU, our members, recruiting your friends to be a part of our club.

We have reached the century mark with 101 Member. According to FFI database, FF Sarasota is 1 of only 13 clubs that exceed 100 in the US! YAY! The FFI data base shows only 13 U.S. clubs with 100 or more members. With 179 members, The FF of Lincoln is #1 then The FF of Olympia (Washington) with 149. Next are: Wisconsin-Madison with 143 members, Greater Milwaukee with 131, Minnesota Twin Cities with 103. The other eight Friendship Force clubs with 100 or more members are: Sacramento, Denver, Atlanta, Southern New Jersey, Harrisburg, Sarasota, Kansas and New Mexico.

FYI, you can access on our FF Sarasota website

<http://www.friendshipforcesarasotaflorida.org/membershipapplication.htm> under the membership tab our membership application, our Q&A and other materials of potential interest to people that you may be recruiting. Keep up the great work!

Meet our Members – We will highlight new and current members each month. The membership committee will be reaching out to you and we're looking forward to knowing each of our members better. We'd also like to include photos in future editions.

Karen Bush joined FF in 2016 at the invitation of Mike Trautman. She was interested in joining because of her love of travel. While she has traveled extensively domestically and internationally, much of it has been associated with business. FF travel will give her the opportunity for more in-depth and "authentic" travel experiences as a result of home stays and experiences organized by locals.

Karen grew up in the Hudson River Valley of NY and attended St. Lawrence University. She moved to Pittsburgh to pursue her PhD in Behavior Analysis. She taught psychology in higher education for 15 years and was Dean of Academic Affairs at Washington and Jefferson College. Then she took a job with Continuous Learning Group (CLG), an international consulting organization, providing support to Fortune 500 companies on strategy implementation.

While in Pittsburgh, Karen bought a house with 2 friends, Louise and Jean. This led to their writing, My House, Our House, a book for those interested in shared housing. You can see these 3 housemates being interviewed by Jane Pauley at [My House Our House Video](#) This video is part of a series that Jane Pauley did for the Today Show, offering advice to people interested in "reinventing" themselves in midlife and/or retirement. Karen moved to Sarasota last year and co-owns a condo with her friend, Louise, in the building where Mike Trautman lives. She is continuing to consult with small businesses to help them achieve their goals through her company, On Track Sarasota. In addition, she is pursuing photography and will exhibit 4 of her prints in a show this August at the Friendship Center. She is also involved with a photography Meetup Group. She and Louise are planning to present a workshop through the Lifelong Learning Academy in early 2017 on "reinvention" for boomers.

This busy new member finds time for other interests including travel, cooking, ballet, gardening (see her former garden in the Jane Pauley video), swimming and working out. And, as if she were already not busy enough, she is now actively involved with FF, regularly attending our meetings and social activities as well as being our new Marketing/Publicity chair.

Barbara Maier rejoined FF in 2016. She was a member of our club before and went on our exchange to Seattle in 2012. FF is a good fit for this person who enjoys traveling. Barbara is a retired college dean at Mineral Area College in the St. Louis area. She retired to Sarasota in 2002. Upon joining FF in 2012, she was pleased and surprised to have a "reunion" with Don and Kay Nicholson with whom she had worked in the St. Louis area.

In addition to traveling, she has been a volunteer with the Sarasota Ballet, Women's Resource Center, Ringling, the Asolo Theater Guild and a committee of Susan Komen. Interests also include other aspects of the arts that we are able to enjoy

so much here in the Sarasota area. She is looking forward to involvement with FF and has already volunteered to serve on the committee for the upcoming Cornwall exchange and to act as a day host.

Michelle Pariseau and Frank Hearon joined FF in 2016 at the invitation of their neighbor, Marie Beck. They moved here in 2006 from Newport, RI. They chose Sarasota as a place to retire, because Frank had a place on Lido Key that they visited regularly and enjoyed the area. While working, Michelle was an accountant and Frank was in computer sales.

They were motivated to join FF because of their love of travel and meeting people from all over the world. They just got back from a 45-day trip around the US by train and car. It was a loop that they started and ended in Chicago, spending 3-4 days each stop along the way. For international travel, 2 favorites among the places they have visited are Italy and Iceland.

In addition to travel, they stay busy with various pastimes. Frank enjoys golf and volunteering at the VA. Michelle volunteers at the Cat Depot and the Florida Cancer Specialist Foundation. They are also looking forward to active involvement with FF and have signed up to do dinner hosting with our fall 2016 exchange.

August 20 Potluck

35 of us gathered for a potluck...an evening of food, fun and friends. The summer gatherings that we have had this year have been very well attended and have provided an opportunity for our members to get to know each other better. Thanks to Barbara Hahn for her leadership with these events and the great location at Camelot East clubhouse.

Film Talk now meets at **Burns Court Cinema on the 4th Mon of each month**. We send a note to our membership each month a few days ahead with the movie details. WE NEED YOU!

Monday, August 29, 4:30, Burns Court Cinema, 506 Burns Lane, Sarasota, ***Florence Foster Jenkins*** starring **Meryl Streep and Hugh Grant**.

In the mid-'40s, amateur soprano Florence Foster Jenkins sold out Carnegie Hall even faster than Frank Sinatra, turning away nearly 2,000 people at the door. The difference between her and Sinatra? She was a terrible singer — critics called her the worst in the world. Discussion to follow at PF Chang's for a light supper or libation. Hope to see you there, Dot Flynn,

2016 Florida Exchanges

Announcing our club's **second Global Themed Exchange**, a repeat and refinement of the first one: **Experience the Arts of Greater Sarasota, FL USA #2** is scheduled for **January 28 - February 4, 2017**. Announcement of this exchange opportunity appeared in the FFI Catalog of Exchanges in mid-July, and an ED Invitation went out mid-August and then the flood of inquiries and applications began. Our committee has selected from the applicants 22 outstanding ambassadors from around the world who will converge on the Sarasota area to enjoy together the arts our community has to offer. Included in the exchange activities will be an evening at the Sarasota Ballet, a Masterworks concert by the Sarasota Orchestra, backstage visits and attendance at one of the plays of the season presented by Asolo Rep as well as Florida Studio Theater. We will enjoy a Sinatra Tribute concert presented by the Artist Series at the brand new Venice Performing Arts Center, enjoy guided visits to Art Centers in the communities, and take an afternoon sightseeing cruise on Sarasota Bay. And, of course, we will spend a day at The Ringling visiting the three part complex.

We would be pleased to have your help. If you would like to volunteer as home host or day host, please contact Barbara Peterson 925-3755 or Marie Beck 914-0283 who will work together to match up ambassadors and hosts. If you prefer to be a dinner host, Connie Bergin 492-2222 would like to hear from you.
