The Howard Lake Royalty Program is a wonderful opportunity for young women to represent their community as ambassadors. We are strict, because we are concerned for your daughter's safety and well-being and we believe that the young women of Howard Lake can do and handle the responsibility well. Many volunteer hours, money and care have gone into this program for 37 years and an honorable legacy has been created by the women that have served before. Miss Howard Lake and Howard Lake Princesses are not chosen based on status, money, past, race or religion. It is a blank slate opportunity for each candidate to present the best she has to offer as well as the chosen Royalty.

### Mission Statement

It is our mission to provide opportunities for young women to represent their community of Howard Lake as Royal Ambassadors as well as educational scholarship opportunities for their future. It shall be our goal to promote community spirit, involvement and pride. The Ambassadors shall serve as public relations liaisons to the community of Howard Lake and shall meet, greet and share information about our community and Good Neighbor Days with others we meet.
