TENNESSEE MISSION AND MINISTRY REPORT

This has been a year of getting to know our Tennessee Baptist Churches and leaders as I have traveled back and forth across our state. I have learned that as Baptist we are a diverse people in our expressions of worship and how we do the business of church, but we are a people that have a common passion for doing the work Christ has put us here to accomplish. God has placed this same passion in the hearts of our state missionary staff. All of us wish to see the Kingdom of God advance at home and around the world. His Great Commission remains our great calling.

This year God has burdened my heart that our mission field of six million people must be worked as never before. We find ourselves as believers living in a time more like the pre-Christian era than it has been in generations. It is time to step into the darkness to penetrate lostness with the light of the gospel like we have not done in decades. The Vision 2021 Team is about the task of articulating the vision and direction for this great task before us. At this year's TBC Annual Meeting in Hendersonville, you will hear their initial report with the final report being in Bartlett in 2012.

However, we cannot wait to move forward in reaching our state for Christ. "Across Tennessee" was a great start last spring. We are taking steps to begin to push back the darkness. One of the first steps we have taken is to strengthen the work of our existing churches. In this year's Golden Offering for Tennessee Missions for the first time we have added an allocation for CHURCH REVITALIZATION and have already begun to work more intentionally in this area with several new initiatives. We have trained our staff in the Transformational Church Process, and they are available to work with churches who wish to use this tool as a beginning point for revitalization. We have also taken the initial steps to develop an emphasis with small membership churches to partner with them in new ways in order to share the gospel.

A second step we have taken is to bring Bobby Welch on staff as Associate Executive Director to lead us in the area of Kingdom Growth. Bro. Bobby is well known by all Southern Baptists as a soul-winning pastor, and one who has led his church and Southern Baptists to win people to Jesus and baptize them. We will be a fellowship of 3,000 healthy, empowered churches seeing lives transformed by Christ resulting in more Tennesseans following the Lord in believer's baptism.

Let me say thank you for your support of the Cooperative Program, the Golden Offering for Tennessee Missions, and the other special mission offerings of the SBC and TBC. If it were not for your faithfulness to support Southern Baptist and Tennessee Baptists through these financial streams, your missionaries in Tennessee, North America, and around the world would not be as strong a force as we are today. Your support makes the unique ministries of the TBC happen every day across Tennessee.

Let me close by inviting each of you to come to First Baptist Church, Hendersonville, for the TBC Annual Meeting, November 15-16. I would also like to encourage coming a day early to participate in the Pastors' Conference, Missions Extravaganza, and other activities that will be taking place on this day.

Thank you for all of your prayers. I look forward to serving in the days ahead. When in the Nashville area, please come by and visit us at the Baptist Center.

Randy C. Davis, Executive Director-Treasurer
