

## Santa's Magic Key

(For Children Who Don't Have A Fireplace)

I'm waiting for your visit excited through and through.  
Please visit my house, or I don't know what I'll do.

Some say you are magic and can use any old key,  
As long as I hang it out in a place that you'll see.

So I'm leaving an old key right outside my door, then  
Saying my prayers, jumping in bed, and I won't worry  
anymore.
