The points gained represent each archer's best 3 ladies/gents FITA rounds, best 2 FITA 70m rounds and best match scores at 2 separate Olympic rounds, all from shoots with World Record Status.

The best Olympic round score is either an 18 arrow match score or a 12-arrow match score, in which case the score is increased by a factor of 1.5. This explains the additional 0.5 points in some totals.
