Principal's Message

As the holiday season and the New Year fast approach, it is an opportune time to reflect upon our many successes and look to the challenges that lay before us. I encourage students, staff and our community to take some time during this season to thank those make our lives better and to look for ways to affect the future in a positive way.

On a personal level, I am thankful for a wonderful family that accepts my shortcomings and inspires me to be the best person I can be. It is easy to get lost in the day to day events that make up our lives but it is important to keep your priorities in mind and nothing is more important than family. Professionally, I am thankful to work at a terrific school made up of motivated students, committed staff and supportive parents. I brag all the time about Mira Loma High School. I appreciate the efforts of everyone involved that help make Mira Loma a great place for students and adults alike.

Looking to the challenges ahead, we still have a great deal of work to do in order to meet the needs of all of students. We have shown significant growth on all of the state and federal accountability measures over the past several years but an achievement gap still exists for our at risk students. We have made some headway in closing this gap but much work is still left. We will continue to implement and modify our smaller learning communities and support structures and explore new strategies as well in order to meet the needs of each and every student. This is difficult work but is it also inspiring.

I thank you for your support of Mira Loma High School and I wish each of you a peaceful holiday season filled with great joy.

Sincerely,
Chris Hoffman
Principal, Mira Loma High School

Grad Night Fundraiser at Blimpies December 13

Seniors and all other hungry supporters of Mira Loma High School—please come to Blimpies on Thursday December 13, from 6 p.m. to 9 p.m. The company will donate 50 percent of all proceeds collected within this time frame to our Grad Night event.

The Grad Night Committee is working hard to ensure our kids have a safe and sober graduation celebration and this event is very expensive. So, while you're out shopping for the holidays, please stop by and support the grad night efforts by eating at Blimpies at 2100 Arden Way (Howe About Arden Center).

Don't forget to tell all your friends. (And pick up a salad or sandwich for lunch the next day.)

Student Body President's Message

Happy Winter Matadors!

With the change in seasons comes a change in student activities. Although December and January are typically very inactive months on campus, be sure to enjoy and participate in the events that are going on.

During the month of November, Student Government hosted its annual Canned Food Drive. Seniors came in first place, winning a prize of \$400, with juniors coming in second, earning \$200. Juniors were followed by sophomores, who were then followed by freshmen. Each class made a great effort in this drive and I'd like to thank all the students and parents who helped make it a success! Many families in Sacramento benefited from your generosity.

I'd like to remind everyone that the Winter Dance has been cancelled. In the past, this dance has not been highly attended and Student Government made the decision that we would not host it this year. However, we will still be having our Bogus Ball dance on January 17 from 8-11 PM in the small gym. This is a great time to celebrate the end of finals and I encourage all students to come join us at Bogus Ball!

Keeping with the holiday spirit, December is great time for student organizations to hold fundraisers. I encourage all students to keep an eye out for fundraising events on campus preceding Winter Break. Student Government will be having a baked goods gift sale during lunch on December 20 and December 21, so be sure to stop by and pick up some delicious treats to eat and share with your friends and family!

I hope that your family will have a happy holiday and a nice, relaxing winter break from December 24 to January 4.

Rachel Sussman, Student Body President
rsussman@winfirst.com

Class of 2008

Congratulations to the senior class for winning the Canned Food Drive for the fourth year in a row! We all put in a lot of hard work and I'm glad to say that it has paid off as our class alone collected an estimated 1500 cans of food as well as diapers and baby food for the Sacramento Food Bank. As an added bonus, the class also received \$400 for coming in first place! Our success would not have been possible without the gracious help of many parents and I'd like to give special thanks to **Mrs. Lopez**, who contributed much of her time and effort to help us in our endeavor.

I'd like to remind everyone one last time that senior portraits and senior ads are due to be turned in to Yearbook by December 7. Also, later in December we are planning on doing a second order of class t-shirts, so if you missed the chance to buy one the first time around, you'll have another shot at getting an original design by our artistic Rally Head **Bryant Chu**. On the back of the shirt are "8 Reasons Why it's Great to be a Senior" submitted by members of the senior class.

Our next class meeting is on December 5 at lunch in **Ms. Hall's** room, A-110. I highly encourage all seniors to come ready to discuss Senior Ball themes! Happy Holidays and a Happy New Year!

Jillian Johnson, Senior Class President
jill2kally@sbcglobal.net

Class of 2009

With the holiday break coming up, this is going to be a very short and enjoyable month. First off, I would like to congratulate our class on placing second in the Canned Food Drive! With all of your help, we won a prize of \$200 that will go straight to helping pay for our Junior Prom. Also, I would like to thank everyone who bought a class t-shirt in the past couple of weeks. They should be arriving soon.

From December 12—18 the Junior Class will be selling Holiday Candy Grams in the quad during lunch. We will be delivering them the Friday

before break, so if you want to send your sweetheart a special treat or your friends a yummy gift, candy grams are the perfect solution! We are also still selling buttons with two different designs. One says "09" in the school colors and the other says "MLHS" with a heart on it. So please help out your class!

Remember, if you would like to stay informed, come to our monthly class meetings during lunch in room C-1. Also, we have groups on Myspace and Facebook, so if you have one, go ahead and look us up. I would love to hear from you and if you have any questions or comments, you can contact me at stokas@sbcglobal.net. Thank you and Happy Holidays!

Sasha Tokas, Junior Class President

Class of 2010

Hello readers! We had a class meeting November 30 and we decided the TWIRP theme for this year will be... Hyphy Ball! TWIRP will be on March 7, and is an entirely sophomore prepared event. This is a major fundraiser for us this year, so girls start deciding who you're gonna ask and boys start buying tickets anyway! We also recently held a holiday gift wrapping day at Borders, and I'd like to say thank you to all our volunteers. We've got started on thinking of some ideas for SAR, but they are not final enough to declare yet so keep posted!

Enjoy your break and happy holidays!

Donald Tan, Sophomore Class President

French Club Hosts Toy Drive

The Mira Loma High School French Club will be holding its fourth annual toy drive until December 13, 2007. Over the years, the French Club has collected over 500 toys just within Mira Loma. This year, the club wishes to involve the community where students, teachers, and parents live and hope to increase the number of toys that will bring joy to a child who might not have much to rejoice during this time of year.

With your help and the help of local merchants who have allowed us to have drop boxes in their establishments, the Mira Loma French Club hope to bring joy to some of the 12,000 Sacramento area children in need. The club asks that you generously give a new toy, which undoubtedly will bring joy to a child this year.

All toys will be donated to the Salvation Army. This is the fourth year we at Mira Loma have diligently worked to make the holidays brighter for all, and wish to thank all of you for your generous donation, and thank the Salvation Army for their on-going role in providing help and refuge to those who are in need.

Thank you for your help, and happy holidays!

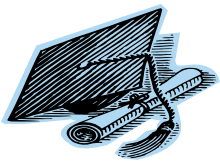

Unbowed is new ML Community Read

Mira Loma's community read for this year is Unbowed, the autobiography of Wangari Maathai. Political intrigue, social concern, and ecological miracles--you'll find them all in this story of the founder of the green belt movement, a grassroots organization that encourages tree planting and other environmental initiatives. Author Wangari Maathai of Kenya is the mother of three, the first woman in East and Central Africa to earn a doctorate, and the first African woman to receive the Nobel Peace Prize.

The first meeting is Tuesday, December 18, at 12:15 in the Mira Loma library. A full schedule of meetings will be published soon.
