## Crazy, Crazy Day!

What is crazy day? It's the last day of classes (May 3rd) where everyone is finishing up their projects. This term we will be having the Art Exhibit the evening of Crazy Day. We will need lots of volunteers on this day. If you can volunteer an hour or so (or even more) during the day or evening please let us know. We will need helpers for matting and labeling artwork, taking photos, setting up for the show, organizing artwork, providing snacks for the show, greeters, ballot runners and the list goes on. If you can help, please let Guin know as soon as possible. Also, to make life easier for parents, we will be having a pizza party for lunch! If you would like to make a donation toward the pizza party, please see Guin.

## Directors Note

My favorite part of the year is here! I love the promise of warmth to come and the color that fills in the landscape. Last fall my husband and I moved to White Salmon, WA in the Columbia River Gorge area, and after the extreme winter we had with 3 months of snow on the ground I can tell you that the color is very welcome!

And that brings me to the purpose of this letter.... Due to my long commute from White Salmon I've had to reevaluate my role as Director of Salem MSOA and with very mixed feelings decided to step aside for someone else to take that position. I have enjoyed teaching and, hopefully inspiring your children, as well as meeting parents, planning interesting classes, and working with Guin and all our teachers over these last 3 years. I've grown in personal ways as well as in my confidence in Christ and am thankful for this as well.

Of course, the question you will all have is what's next for Salem MSOA? Evie Fishkin, MSOA's founder and Executive Director, has been searching since last fall when she and I first talked about this. This position is still open but we are still praying and hoping for it to be filled with the right person so that your children can continue to grow in their art learning in the fall.

As you have already heard, Guin is also stepping aside after her 4 years as administrator. She will continue through art camp and will be training Vickie Nutt, Katelyn and Lyndsi's mother, to be her replacement starting with the fall term.

Anna Harrison, who has been instructing our current oil painting, pastels, watercolor and pen & ink classes will be Summer Camp Director to ensure a great camp experience for any of your children and the many non-homeschoolers who usually attend. She already has some good teachers and classes lined up!

So, that's a lot of changes! I was hoping to be able to announce a new director at the same time as letting you know I am leaving, but in the absence of being able to do that I hope you will be motivated to join us in praying for a new director. Focused prayer together can make a huge difference, as we all know from personal experience, right?!

Thank you for your support of Salem MSOA, for helping in various ways, for your encouraging words, and for letting us be a part of your child's learning experience. We've never taken this lightly.

Blessings, Cindy Ives
