Need an MSOA Paint or Watercolor Kit?

If you are enrolling in Painting, we sell a paint kit at our school that comes with all the paints and brushes you will need for the term. Our paint kit is \$45 and can be paid for when you pick up your kit on the first day of school. We are also offering Watercolor kits for \$10 each. In order to ensure your kit will be available on the first day, you will need to place your order with us as soon as possible. If you have more than 1 child enrolling in painting, they will each need to have their own paint kit. You do not need to order the kits through the school; you may purchase the supplies on your own if you like. Check the painting Class Description page for a list of colors and brush sizes you will need to get. Be sure to check your local paper for coupons for Michaels, which offers a 40% off coupon. Please email Guin at your request at guinatsalemsoa@gmail.com.

New Parent Orientation

If your family is new to MSOA this term, please plan to attend a New Parent Orientation on the first day of school, September 9th, at 11:15 am. This should only take about a 1/2 hour. We will be meeting in the downstairs library. This is a time to bring any of your questions and talk with our director, Cindy Ives.

Message from our Director

We've still got room for more students! As is the case every term, we need to have 20 full time students in order for us to open our doors. As of now we have 16 and are optimistically hoping for at least 4 more students by the end of August. Please do your best to spread the word and encourage friends to enroll! We get a few last minute enrollers each term, but this makes it very hard for us to plan, so if you're sitting on the fence, jump down and call Guin. When Evie Fishkin, founder of MSOA, first started Salem MSOA she said to show her that you want a satellite school in Salem, and now I'm saying the same - We will be there with teachers and great classes if you bring the students!
