Masters School of Art Salem

JANUARY 2016 ISSUE

Register for Spring Term Now!

If you have not registered for our Spring term, now is the time to do it! We **MUST** have a minimum of 20 full time students for the Salem school (and we are **VERY** close, but still need a few more). The more registrations that we can get, the wider class variety we will have. Visit the admissions page at www.msoasalem.com for all the details and forms. Classes begin on Wednesday, February 3rd for ages 9-18 (older with special permission). We have just added a fun **Calligraphy class!!** Our schedule is available on our website. We will have Painting, Drawing, Color Pencil, Watercolor, and more. Some classes are filling up, so don't wait to register!

Need MSOA Art Supplies?

If you are enrolling in Painting, Watercolor or Calligraphy we will be selling kit/supplies that will come with all you need for the term. Our paint kit is \$45 and can be paid for when you pick up your kit on the first day of school. We are also offering Watercolor supplies for \$15 each and Calligraphy kits for \$13. In order to ensure your kit will be available on the first day, you will need to place your order with us as soon as possible. If you have more than 1 child enrolling in painting, they will each need to have their own paint kit. You do not need to order the kits through the school; you may purchase the supplies on your own if you like. **New on our website are “Salem Friendly” supply lists for each class.** Be sure to check your local paper for coupons for Michaels, which offers a 40% -50% off coupons. Please email Guin at guinatsalemsoa@gmail.com with your request.

Spring Fundraiser

MSOA 7th Annual Online Auction April 1st - 30th. We can begin now!!! January and February are the best months to gather service and/or gift certificates from local vendors. Most vendors or local stores want letters that they can send to their corporation headquarters. Just going into a local community store or even a chain, asking them to give the letter to their manager helps. We will have letters available from our school office and on our website soon. This letter explains who we are, what our auction is all about, and also includes our Tax ID# that most places will need before they can donate. I went into a beauty salon and the person behind the desk said they would send my solicitation letter to their corporation. I was surprised when the corporation mailed us a gift certificate. It works! Another thing to begin thinking about is donating a theme gift basket. It doesn't take a lot of cash to put one together. I've gathered a few new things that I've bought but not used and put them into a nice basket for the auction. They say if you haven't used a Christmas/birthday gift in a few years that it's best to give it to someone who will use it. As long as it's not used, old or broken then you can donate it. Remember all donations are tax deductible. I pray this auction will be fun, and everyone won't just give, but get something very special from the auction.
