# Masters School of Art Salem

JANUARY 2017 ISSUE

## **Register for Spring Term Now!**

If you have not registered for our Spring term, now is the time to do it! We **MUST** have a minimum of 20 full time students for the Salem school (and we are **VERY** close, but still need a few more). The more registrations that we can get, the wider class variety we will have. Visit the admissions page at [www.msoasalem.com](http://www.msoasalem.com) for all the details and forms. Classes begin on Wednesday, February 1st for ages 9-18 . Our schedule is available on our website. We will have Painting, Drawing, Color Pencil, Watercolor, and more. Some classes are filling up, so don't wait to register!

## **Need MSOA Art Supplies?**

If you are enrolling in Painting, Watercolor or Oil Painting we will be selling kit/supplies that will come with all you need for the term. Our paint kit is \$50 and can be paid for when you pick up your kit on the first day of school. We are also offering Watercolor supplies for \$15 each. In order to ensure your kit will be available on the first day, you will need to place your order with us as soon as possible (no later than January 25th). If you have more than 1 child enrolling in painting, they will each need to have their own paint kit. You do not need to order the kits through the school; you may purchase the supplies on your own if you like. **New on our website are "Salem Friendly" supply lists for each class.** Be sure to check your local paper for coupons for Michaels, which offers a 40% -50% off coupons. Please email Guin at [guinatsalemsoa@gmail.com](mailto:guinatsalemsoa@gmail.com) with your request.

## New Classes This Term!

**Art History!** This class is a hands on expedition back in time starting with a spelunking adventure into prehistoric cave paintings. From there we will make a fast paced trek from China to Europe discovering emerging art forms such as watercolor transparency and luminosity, Mesopotamia Relief, and Mosaic. We will time travel to the Renaissance and create various works of art based on the techniques of the Masters using various art methods and media. In this class, students will develop a well rounded knowledge of art periods and contributing artists while creating an international art portfolio. Sketching, drawing and basic painting skills required to take this class.

**Lettering!** Lettering will explore ways to creatively form letters, and many ways to decorate them. The class starts with learning a few basic styles of lettering. Then we progress to creating our own styles. First semester students will learn the basics of making monograms, and colored, decorated initials. Students' final projects will be lettering their own initials, to show their own style, interests and taste.

**Pastels!** In this class, the students will learn how to mix and build layers of color in pastel as they work on their project. The first class is spent selecting and then drawing in pencil the piece they will work on. By the end of the term, students will leave with a greater understanding of how to begin and complete a pastel picture on their own.
