Now is the time to begin bringing in your donations for this year's auction. We have a new online form that you can fill out and submit online, then all you need to do is bring in your donation to our school. You can find all the forms you need, including flyers and letters that explain who we are that you can take to local businesses to procure items, on our 2015 Online Auction webpage www.msoaonline.com/2015onlineauction.htm

We want 100% participation from Salem families, you can donate or go to local businesses and ask them for donations. The Salem MSOA will benefit from all items donated by our Salem families. The raised funds will go for scholarships and a new computer for future Computer Art and Photography classes and maybe a few new tables.

To build a great auction, we need lots of donations. The sooner you get your donation to us, the better chances of it receiving more bids! Gift baskets are always a great hit. There are many themes to consider when putting together a basket: gardening, chocolates, coffee, tea, tools, soups, kitchen, bath, perfumes, essential oils, the ideas are endless! Gift certificates are also a great donation. Do you have a business? How about offering a gift certificate and let us help you advertise your business! Food items have always received high bids in the past. Games, clothes, jewelry, books, electronics, and large items are also welcome!
