## Satellite School

May 2013  
Newsletter

By Becky K. ~ "Flesh"

### *Philippians 4:8*

*Finally, brethren, whatever things are true,  
whatever things are noble, whatever things are just,  
whatever things are pure, whatever things are lovely,  
whatever things are of good report, if there is any virtue  
and if there is anything praiseworthy—meditate on these things.*

### **Spring 2013 Art Exhibit**

Salem's spring art exhibit was blooming with beautiful artwork as the melodious sounds of flute and piano softly played in the background. There were fun raffles, awards announced, good food, and an all-around good time to wrap up our 2012-2013 school year.

We're so proud of all our students for doing such an amazing job once again with their beautiful artwork. The winners of our People's Choice are Gale C., 13 & under for "Moonlight" and Mariah S., 14 & up for "Grace Kelly". Professional Artists' best of show are Hugh C., 13 & under for "Chansoh Indoue" and Becky K., 14 & up for "Flesh".

You can see pictures of the winning artwork on the Winners Page from our website:

## Salem Staff

We are always sad to say goodbye to someone who must leave our school. We are saying goodbye to 3 wonderful staff members that we will miss very much: Jenni Tipton, Rachel Clark and Marla Kay Trahan. We wish them all the best on whatever God has in store for them! Thank you for your dedication and service to our school.

As we say goodbye to some, we are very excited to welcome in some new and returning instructors for Fall. We are so thankful that Tim Ethell will be joining us again this Fall! For those of you who know Tim, realize what an amazing and very talented instructor he is. Welcome back Tim!

We are also happy to announce two new instructors: Wendy Conder who will be teaching Digital Photography and Patrick White who will be teaching computer classes, yearbook and poetry. Welcome Wendy and Patrick to our Salem MSOA staff!

By Hugh C. ~ "Chansoh Indoue"

## Online Auction Update

A huge thank you to everyone who participated in this year's online auction fundraiser. We raised around \$250 with this fundraiser, which will go toward our laptop fund. We now have a little over \$2000 in this fund! This should afford us to be able to purchase 4 laptops, giving us a total of 6 laptops for computer classes this fall. We greatly appreciate everyone's donations, contributions, and bids. We couldn't do it without you!

If you still have not received your winning items, they can be picked up at our Portland school office any Thursday or Friday this week. You can also pick up your items at Portland's Art Exhibit & Revue the evening of May 30<sup>th</sup>. The next available time to retrieve your items will be at our summer camp the end of June. If you would like to make arrangements to pick up your items, please email Guin at [guin@msoasalem.com](mailto:guin@msoasalem.com).

## Fall 2013 Registration

We are currently accepting applications for our Fall 2013 and Spring 2014 school year. You can download our application from the Admissions page on our website: <http://www.msoaonline.com/admissions.htm>. We will be offering many new classes this upcoming term and class size will be small, so it is highly recommended to register as soon as possible! If you have any questions about registration or enrollment, please contact Guin at [guin@msoasalem.com](mailto:guin@msoasalem.com).

Mariah S. ~ "Grace Kelly"

Gale C. ~ "Moonlight"

Katie W. ~ "Daydreamer"

## - Note from Director -

It was good to see the smiling faces of our families at our exhibit on the 6<sup>th</sup>. I loved watching the kids' excitement as their name was called during the awards ceremony. The people's choice contest is a great way to give recognition to these amazingly talented students. They are all winners in my book for their hard work and dedication to making their art the best that it could be.

While we didn't have a large attendance this Spring, the quality put out by the students was top notch! I've watched many of them grow this year into incredible artists and see the potential of many more budding artists.

Our Fall term is going to be fun with all the new classes we will be offering, such as Photography, Computer Art (Adobe Photoshop), Poetry, Choir, Color Theory and Yearbook. While we will continually be adding and changing classes with each passing term, there was a concern from our families about not enough advanced classes being offered at our satellite schools.

MSOA Satellite Schools were created to offer the basic, foundational classes outside the SE Portland area. We are hoping that once our Satellite students reach a point of growth, they will move on to our main school in Portland to further advance their art education with Masters School of Art. Our goal for each of our students is to teach them the basics, then move them on to intermediate level, then on to advanced level and eventually lead them to our college program if they wish to pursue their art as a career. We want to provide them with all the tools and instruction they will need, so they can compete in any artistic field. We have two college programs, a Teacher's Certification program and a Mastery of the Arts program. Each college program has different requirements for graduation, but they both require the basics that are offered at our satellite schools.

If you have any questions about where your child stands in regards to their level and whether or not you should begin to consider moving them on to more advanced classes in Portland, please feel free to contact me anytime. Every student is different and will advance at their own pace. We don't want to hinder their growth with our school, but we also don't want to push them too quickly to advance if they are not ready.

~Lisa
