CARROLL'S TRUCK PARTS
"WANTED DEAD OR ALIVE"

President's Corner – Mike Larabee

Hello again, Pulling Family!

Our season is well under way, and I would like to congratulate all of our winners. The crowds have been good so far this season and most of our numbers have been decent. A big thanks to all who have made the beginning of our season a success. Our numbers have been a little short in the Pro Stock and Semi class, so let's finish those tractors and trucks and get out there and support your class. I know you have a lot of choices of places to pull and we hope you continue to support OSTPA.

Don't forget to check the schedule for events that will be feeding pullers. We appreciate the great food that many of our promoters, pullers' families and local clubs make for us. And, you never know who Hogg will choose for best meal award.

Good luck and see you on the track!

Thanks,
Mike
