President's Corner – Mike Larabee

Hello pulling family!

We are less than 3 weeks from our 1st OSTPA event at Dover. I hope everyone is about ready to go pulling!

The OSTPA entry trailer is ready to go with new tires and a new storage area for the laser system and other supplies thanks to the Pearce family. We also purchased a new limer with rubber tires for our track people.

Our Laser Crew is trained and ready to roll and the rest of the workers schedule is finalized and all looks good for 2013.

Our OSTPA courtesy Cart will be sponsored and stocked this season by Swanson Performance, Cassie and Brandon Swanson. Many thanks to them for doing this for us!

PPL is putting out a new magazine so look for that in your mailboxes sometime in June.

Remember, we will be doing a full tech for all vehicles that are running for points in 2013 every Saturday through the end of July. The only exception is Bucyrus on Friday, replacing Oak Harbor on Saturday.

See you in Dover!

Back to more wrenching,
Mike

Full TECH this season: This season, all vehicles running for points will be required to be full teched by the end of July. To make this a little easier, there will be an additional tech person at the following events: Dover (June 8), Richwood (July 6), Bellefontaine (July 13), Bucyrus (July 19), and Mt. Vernon (July 27). Teching will begin 3 hours before event start time. Please plan accordingly.

New Rule Books and OSTPA hats:

All members will receive new 2013 Rule Books and OSTPA hats this year. New OSTPA members and members in the new Columbus Diesel 9,000 lb. Light-Limited Pro Stock class presented by Wipeout Enterprises will have their rule books mailed to them. All other members can pick theirs up at the entry trailer and everyone can pick up their hats there.

Thanks!

I would like to thank everyone for welcoming me so warmly to the OSTPA family and for being patient with me as I settle into my new role with the organization. I truly appreciate the kind words of support and offers of help from many of you. I look forward to seeing all of you this summer at our events.

Stacie White, OSTPA Executive Secretary
