CARROLL'S TRUCK PARTS
"WANTED DEAD OR ALIVE"

President's Corner – John Cespedes

Friends of Pulling,

Thanks to everyone who pulled with and worked for OSTPA. I think everyone did a great job but every once in a while someone comes to me and says maybe we could improve this or that. I would like anyone and everyone to put a couple items they would like changed or improved down on paper with a way to improve them. This will give us an idea on how to make things better.

One thing I see is we need the first class to get weighed in and staged sooner. That will make the show run smoother down the line.

Congratulations to all our points winners!

See you soon,

John W. Cespedes
