President's Corner – Mike Laribee

Hello, OSTPA Pulling Family!

Wow, what a summer! The 2013 OSTPA pulling season is over already, although it seems as if it just got started. I would like to thank all of our pullers, promoters, workers, sponsors and fans for a very successful season. We saw many new faces this season and I hope you all felt welcome with OSTPA.

We start our meetings in October and you are all welcome to be a part of this process. OSTPA has 7 local clubs that put items on the agenda that they would like changed and then they send their reps to Columbus to present these items.

We also have divisional meetings in Columbus that can put items on the agenda that relate to their class. The October meeting is to put these items on the agenda and discuss them. The November meeting is to vote on these items. Every item has to be passed at 2 meetings or be "2/3rds" to go in to effect immediately. The process starts again in the spring in March and April. Nominations will also be taken in October for anyone wishing to be on the executive board.

Congratulations to everyone and thanks again for a very successful season!

Mike
