POINT GREY PARENT ADVISORY COUNCIL

~ A Request for Your Support ~

The famous cliché that "our children are our future" rings true today. The students at Point Grey are our future and we, as parents, can help enrich their time and learning in school. Our teachers, administration, staff, and student leaders make magic happen in this community every day. As their PAC, we can support their efforts by providing needed materials and funds for their use.

Last year, the PAC focused on launching a new era of learning by providing funds to upgrade the school's technology. There continues to be a need for new computers, screens, scanners, tablets, etc. in classrooms and the library. Currently, many classrooms do not have the technology to show different media presentations directly from a computer onto screen.

But technology is not the only means of enriching our school. Even magazine subscriptions and different types of literature are need. Different kids have different interests. By providing a variety of literal and digital resources, we can help improve their learning. The more students enjoy their time at school, the more learning will occur. If we can provide funds to purchase science supplies, experiments will be more interesting. If we can provide additional ingredients in Home Economics, more hands-on cooking time will be available. If we can provide better sports gear, the lack of equipment for training and games will not be a problem.

Every year, the PAC tries to fund the most urgent requests but never come close to funding all of them. So parents, please donate to the PAC on behalf of the school!

Your support in creating an enriched learning environment at Point Grey is very much appreciated by every student, teacher, and family. Your donation will make a real difference.

✂----------

Attached is my donation of: _____ $100

_____ Other Amount

Name of Donor for Tax Receipt (please print): _____

Mailing Address: _____

Telephone #: _____

Make your cheque payable to: **Point Grey Secondary** (noting **PAC Donation** in the memo section)

Tax receipts will be issued for donations of $50 and over.

Questions? Email the PAC at pointgreypac@gmail.com or
Visit our website at www.pointgreyparents.com

Kindly drop off your tax-deductible cheque at the Point Grey office or mail it to the school at:
5350 East Boulevard, Vancouver, BC, V6M3V2, together with this portion of the notice.
