

Fostering the professional and personal growth of the Filipino and Filipino American nurses in North Carolina

Our Mission - Vision

The mission of the Philippines Nurses Association of North Carolina (PNA-NC) is twofold:

To promote professional excellence in clinical nursing practice among it's members and

To support the acculturation of Filipino nurses and their families in North Carolina

The vision of the PNA-NC is to be organized and stable infrastructure whereby our members can grow professionally and personally amidst an atmosphere of collegiality.

How can the PNA of NC help you?

Privilege of Representation:

We promote unity and represent the interest of Filipino America nurses in the state of North Carolina.

Educational Opportunities:

Active members are eligible for free or reduced fees to conventions and educational programs with CEU offerings.

Leadership Development:

Active members are eligible to hold elective office and serve on the elected or appointed committee, to serve as delegates to any annual or special meeting.

Professional Networking :**

Networking at regional and national levels and with other organizations and agencies in order for all members to develop and implement programs relevant to the nursing practice, education and research.

**** PNA-NC Members are automatically members of PNA (Philippine Nurses Association of America)**
