Welcome to the 2017-2018 school year! SEPTA is an acronym for Special Education Parent Teacher Association. We are a district-wide PTA with members from all POB schools and have representatives on all of the district's committees.

SEPTA supports all students in the district with special needs and their families. This includes students receiving related services such as speech, occupational therapy, and physical therapy. Parents who have children with an IEP or 504 plan or who receive services through the school district should become members of SEPTA!

SEPTA works with parents and teachers to create a network of communication which involves the sharing of vital information within our district and outside of school. We provide the support system for parents at our monthly meetings where we meet to share tips and ideas, learn from guest speakers, and offer a forum to speak among others with similar experiences. We have many programs and activities including our Annual SEPTA Night Out, Family Fun Day, and Track & Field Day. Please attend our first meeting of the 2017-2018 school year on

Tuesday, October 3 at 7:30pm at Mattlin Middle School (in the library)

Please join SEPTA so we may continue to provide these vital services for our children and their families. Please provide your email so we can inform you of SEPTA news and events.

SEPTA looks forward to the return of past members and meeting new ones. We hope you'll join us in both membership and attendance. **All members will receive a free SEPTA discount card that can be used at various local businesses.**
