

"How Would Your Life Change... If Suddenly, You Knew How To Heal Yourself (or anyone Else) And Discover Health, Wealth, And Happiness?"

My name is Patricia Ogilvie and I recently returned from an extraordinary workshop in Maui of which I want to share with you.

If you're open to hearing the one key phrase that can literally heal your life...

If you're ready to take 100% responsibility to a deeper level than ever before...

... I'll share the secrets with you.

Ironically no one else has to do these processes but you. The entire world is in your hands!

Patricia Ogilvie, Freelance copywriter and newsletter design specialist has been a Context graduate since 1987. Patricia specializes in creating ads and Marketing copy for business owners who want a better way of staying in touch with their prospects and clients and keep them coming back for more.

Here are some of her results:

- In the not-for-profit sector, her researched stories and examples moved people to give and give and give. One effort got a 15% increase in response rate!
- One letter for Canadian Association of Professional Speakers created a personal connection with members that generated an immediate 200% registration just by adding a powerful headline.
- Promotion for a 2nd Edition Energy Book tripled in sales over previous efforts!
