

If you love Jimmy Buffett and TropRock Music...

Living the Tropical Lifestyle
while giving back to the community...
and you are "growing older, but not up..."

Welcome to the
Space Coast
Parrot Head Club

We are one of over 250 clubs worldwide that are part of Parrot Heads in Paradise, Inc., which is dedicated to bringing friends and fun into your life while providing a variety of volunteer efforts for social and environmental causes. Our motto is... **"Party With A Purpose"**

PHins Up!!! We are the Space Coast Parrot Head Club (SCPHC). Founded in the Spring of 2005, we are the organization dedicated to bringing friends and fun into your life. Yes, "we ARE the people your parents warned you about!!!" Parrot Heads are not just fans of Jimmy Buffett, and we're not just another group of crazy party people who dress in loud Hawaiian shirts and wear funny hats.

We are so much more!!! We are a community belonging to an internationally chartered organization called Parrot Heads in Paradise, Inc. (PHIP). We join with our fellow clubs worldwide to dedicate hours of community service to helping our local communities through fundraising and hands-on help. We clean beaches, we provide needed materials for charitable organizations, and we 'walk' for causes that can make a difference. We "party with a purpose" to benefit organizations which might brighten the lives of others.

We are a family-friendly organization, and encourage participation by the 'keets' in your family. We feel the younger our members are, the longer there will be Parrot Heads in the world, caring to "leave this place a little better than we found it." We are a social organization for singles, couples, and PHamilies.

**We are glad to have you join in the PHun! So get ready to...
Relax, you've found your "one particular harbor."**

SCPHC Activities

● On the third Friday of every month, a "PHlocking" (membership social) is held at varying locations from 6pm to 10pm.
