Hadith 1 (taken from forty ahaadith of An-Nawawee)

Question: What is the correct way to memorize Ahadeeth?

Answer: "As for the memorization of Hadeeth, then they are little easier if it is done without the Asaaneed (chains of narration), so it is possible that you memorize a Hadeeth in a day or two days or three days then act upon this hadeeth, for indeed this aids in making the Hadeeth firmly grounded, then studying with the brothers and lots of repetition.
