This is a basic list, your child may be required to purchase other supplies if needed. Some subjects may require certain things. Your child will be notified if something is needed and given ample time to purchase. If your child runs out of any supplies, you will need to refurnish.

Please be selective when purchasing pencils. Some are very poor quality (ex. Write Dude). They do not sharpen and lead falls out when you sharpen them.

\* This has been added due to students bringing lunch and not having the proper items to heat/eat their lunches resulting in the teachers purchasing out of pocket.
