PRINCIPAL'S CORNER

Hello, Westbrook Community,

Happy Fall! I hope you are enjoying the cooler weather and changing leaves. It is such a pretty time of year!

As you know, our school building has had a bit of a rough go recently. We are hopeful that we are nearing the end of the effects of our roof and boiler projects and will be warm and dry shortly. I very much appreciate your positive support throughout this process! Despite these minor challenges, the students are learning, happy, and so actively engaged! Our teachers are really taking advantage of all of the technology available in our building and student interest in Google Apps for Education is beginning to take on a life of its own! Westbrook is THRILLED to be leading the district in AUP sign-offs, too! (Mrs. Gridley is especially thrilled!) At last count we were at 96% return rate!

Week of Respect had students being their Super Hero Selves, celebrating school spirit, and BEing a great many things! Yes, BE is continuing as the Westbrook Theme for the year as we focus on BEing Here. Students participated in an assembly on digital safety and bullying, and the week culminated in the #positivepostit project. Each student created a positive post-it during first period and put it on the banner just outside the office. Just prior to dismissal each student took a post-it note! A fun way to spread the positive word.

The way we talk to our children becomes their inner voice.

Congratulations to our Bobcat Award winners for September! Hard work, citizenship, and helping others are just a few of our students' outstanding qualities recognized last month.

Thank you for your continued support in our school and your child's education! We are looking forward to seeing you at one of our upcoming PTA events and American Education Week & Conferences in November.
