Social Committee Update

Thanks to everyone who came out for the 2nd Annual Holiday Party. We had our largest turnout to date and everyone enjoyed the tremendous paella by Chef Alex (he is also our maintenance man). And a special thanks to all of those who volunteered to help make it a success!

Next Event: We will be having a registered dietician avail from 9am-1pm on Saturday, January 10th. She will provide anyone interested with their complimentary personalized body measurements, as well as body fat analysis. Start 2015 off with knowing where you are and where you want to go!

Parking - Blue is IN, Green is OUT

Blue is the new color for this year! All green permits (guest and resident) are no longer valid. All vehicles must have a blue pass or temporary guest pass (paper pass) from 6pm-7am, 7 days a week. This will be strictly enforced to make sure there is ample parking for our residents.
