Security Upgrades

The Association is beginning a set of security upgrades to our property. We are starting with surveillance systems in select areas. Please be patient as we continue to upgrade our property.

Balconies

Please remember to keep your balcony in a clean and sanitary fashion at all times. Remember, no one wants to see your mess! :)

Did you know?

The speed limit in our parking is 5mph. Please keep in mind that we have many residents who have children, dogs, etc.

Random Fun

Green was not the color originally associated with St Patrick; it was blue. The switch happened in the 19th century.

Important Dates

3/8 - Day Light Saving Times (+1hr)

3/15 - Irish Themed Party 1pm

3/16 - Grievance Meeting 6pm

3/24 - Board Meeting 7pm

Social Committee Update

Thanks to everyone who came out for the Sunday Funday BBQ in February. We had absolutely perfect weather and a great group of people! A special thanks to Big Steve for being the volunteer grill master!

Next Event: We will be having an Irish themed event on Sunday, March 15th from 1pm-3pm. Please wear green! We will be serving Corned Beef and Cabbage. Stay tuned for more details.

Moving In OR out???

As a friendly reminder, whether you are moving in OR out, you must obtain a moving pass from the office. This is for the safety and security of all our residents. If you see someone moving without a moving pass displayed on their windshield, please notify the association immediately.
