Commander's Message

November is here. The Holiday seasons of Thanksgiving and peace of Earth - good will toward men, The snowbirds head south and the rest of us stay to greet the cold winter which has its own kind of charm.

The Bike Fest and The Fashion Show, two major events on our calendar. Great success on both counts. Such a joy to watch as the sections of the Post work together as one for the good of the Legion.

November starts with Veterans Day, our day, the program is set. I'd like for all of us to remind our friends and families why they are free and safe. We'd like to see them for breakfast and at 11 o'clock, 11th day, 11th month, lest we forget.

The season of brotherhood should remind us of the special bond we share as Veterans. Support your post. Turkey shoot, Football, Nascar and Thanksgiving dinner on the 15th. This Post is here for you, be here for it.

Happy Holidays, and if you travel, be safe.

Mark

MESSAGE FROM THE AUXILIARY PRESIDENT

The Annual Fashion Show that was held on September 18th was a huge success. Thanks to all who helped in any way to make this happen.

Connie Pack, District 8 President and Rosemarie Nichols, District 8 Secretary visited our October meeting. Connie spoke to us and gave us a lot of useful information. After the meeting, delicious snacks were enjoyed by all.

At our November meeting I plan to have a representative from Heart to Heart speak to us. They are a free non-profit inter-denominational counseling center for women and girls (ages 13 and up). It should be very interesting.

November 15th is the Thanksgiving dinner that Jim and Sarah get together. All the food is donated and the dinners are served for a donation. I'm sure Sarah will be asking for donations. Please see Sarah and make a donation of money or food.

I want to wish everyone a safe and enjoyable Thanksgiving with family and friends.

Genny Rieckhoff
Auxiliary President

SAL

October was a busy month with lots of fun activities; many put in extra time for events such as the mouse races etc I thank each one SAL or not even though Carolyn and I could not attend, we know they were fun SAL was also proud to announce Don Bell as the winner on Oct. 11th,(last name in drawing by the way) Don't forget there will be 2 more drawings. Carolyn and I also want to take this space to say THANKS to all who filled in for us during our inability to perform our normal activities during her recovery. I think she is almost back to normal, not sure if that is good or bad, ha ha.

Our menu of tenderloins, chips, and slaw and of course dessert will continue to be served on the 2nd Wed. of the month. Hopefully we will be able to make a change now and then before those snowbirds return, remember we are always open to suggestions something new or the repeat of a dinner U liked; asking doesn't mean it will happen, but U never know.

I received my dues notice from national and want to remind all of my SAL members that early payment helps Larry get all his dues into national in a timely manner.

RIDERS

Well bike fest is over and it looks like another success. The Chamber estimates about 6500 bikes came to bike fest with over 750 passport books were sold with an estimated economic impact to the area of \$9 million. There continues to be an increase in the event year after year. Many thanks to all that helped out and the AUX and SAL for cooking over the event.

Our parade from the VFW to our post had about 60 bikes participating. We hope to continue with the parade and grow it over the next view years.

Several of our chapter went to Fayetteville, AK for the bikes, blues, and BBQ three day event. Our bikes led the Saturday parade thru Fayetteville with about 2000 bikes participating.

The Wall2Wall ride that Rick went on was huge. The group of 8 went to Washington DC and presented the Vietnam Memorial with the American flag and the POW flag. They in turn presented us with the flags that were flying over the memorial. These flags were escorted back to Arnold, MO where we assembled for a parade to Perryville, MO to dedicate a permanent Vietnam Memorial Wall being built exactly like the one in DC. The bike escort extended over 7 miles down I55 to Perryville, where after the brief ceremony, the flags raised.
