

مِنْ تَنْيَاتِ الْوُدَاعِ

Through the gaps of mountains

طَلَعَ الْبَدْرُ عَلَيْنَا

A full moon has shined upon us

مَا دَعَا لِلَّهِ دَاعٍ

Along with each prayer

وَجِبَ الشُّكْرُ عَلَيْنَا

We must thank Allah

جِئْتَ بِالْأَمْرِ الْمَطَاعِ

You've come with orders that will be obeyed

أَيُّهَا الْمَبْعُوثُ فِيْنَا

O messenger of Allah to us

مَرْحَبًا يَا خَيْرَ دَاعٍ

Welcome, O the best of mentors

جِئْتَ شَرَفَتِ الْمَدِينَةَ

You've come to grace and honor Madeenah
