~ Membership Dues Reminder ~

Remember to pay your 2019-2020 membership dues soon! Return your old park key to pick up your new key. The park gates have new locks, so your old keys will not work. Membership forms are available in the Association office on Saturday mornings between 9:00 and 11:00, or you can print a copy from the website (www.epbay.org) and mail to Eagle Point Bay Association, 705 Lake Shore Dr. N., Goreville, IL 62939.

Park Keys Update

Park keys belong to the Association member only. If you rent out your property, the renters are **not** entitled to use the parks and boat ramps unless you accompany them. Long-term renters may join the Association to gain access to a key and the parks.

Breakfast at the Association Building

Please join us for breakfast every Saturday morning from 9:00 to 11:00. Breakfast is funded by a free-will offering and is open to members and non-members alike. Due to the rising cost of food, we ask that those who are able donate a bit more to cover our costs. Please join us! It's a great way to meet your neighbors and share the joy of lake living.

Boat Dock for Sale

The Association has a boat dock for sale. The dock is located in Park 4. The EPBA is asking \$1200.00 for the dock. Contact Mark Ferro or Sharon Hughes at the EPBA Building for more information.

Eagle Point Bay Ladies Group News

I'm very pleased to say that the Eagle Point Bay Ladies Group has a member in our organization and has given us a shot in the arm. She is bringing exciting new ideas and revitalizing our group! Whether you can come to one event or all of them, I can almost guarantee you a FUN time.

Our St. Patrick's Day party was a huge success and everyone had a great time. Sharon Hughes was the winner of the BEST Irish Stew contest. Bingo prizes were won by almost everyone. Pictures of the event will be posted on the website when they are available.

Here's what is on our calendar for the next few months.

April 10 – Health Day at the Association. We listened to presentations from a Urologist, Vascular Surgeon, and an Oncologist from Heartland Regional Medical Center. Their dietitian was here to prepare lunch, and the ladies prepared a healthy dessert.

I'm very excited that The Ladies Group will be changing their normal monthly meeting from May 1 to **May 8**. We will begin our meeting at 11:00 a.m. and will host an English Tea at 12:30 p.m. Normal attire would be a dress and hat (this is not required but will add to the fun).

We are also changing the date for our monthly meeting in June. We will carpool from the Association Building at 11:00 a.m. on Wednesday, **June 12** and go to Blue Sky Winery. We will hold our meeting at the winery.

Everyone going is asked to bring any of the requested items for Gum Drops: Chef Boyardee, fruit cups, Ramen Noodles, pudding packs, oatmeal, cheese & crackers, applesauce cups, Easy Mac Bowls and popcorn. At this time, they deliver over 1,400+ packages weekly to at-risk children.

We will host a Men's Breakfast. More details to come on the web-site as they become available.

Although we are changing our meeting dates in May and in June, this does not change any of our normal meeting dates. Normally our meetings are held the first Wednesday of every month at 10:00 a.m. We would love to have more ladies join us.

As events are planned, stop in the Association Building and look for a "Save the Date" flyer. We should have one for each event that we plan. All of our events are open to **everyone** in Eagle Point Bay. Young, old, male, female, we welcome you all. Our events are free to everyone in Eagle Point Bay, and if you are able to make a donation on that day to help defray our costs it would be appreciated, but not required. If you would like to get in touch with me please give me a call at 618-363-1646. If I am unable to answer the phone, please leave me a message and I will get back to you as soon as I'm able.

Nancy Norris, President, Eagle Point Bay Ladies Group, 618-363-1646

Dr. Sujatha Rao, an oncologist, discussed the causes and preventions for the types of skin cancer.

Dr. Lawrence Hatchett, a urologist, spoke about symptoms, causes, and cures for UTIs and enlarged prostates.

Health Day at the Association

Dr. Sergio Casillas, a vascular surgeon, related information about the causes and treatments for varicose veins and venous insufficiency.

Brad Miller, dietitian, and Kallie Galati, dietetic intern, discussed developing good eating habits and prepared lunch for everyone. The zucchini boats were delicious!
