The Board meets the first Saturday of the month at the Association Building at 10 am. Please join us. If you have any questions please contact any Board member for help.

Summer Reminders. Here we go again.

Please lock the gates to the parks after you enter and after you leave the parks. This is your park and we need every member to accept responsibility for keeping it as nice as possible for other members. NO dogs are allowed in the parks, even if there are no people around.

Children in the parks must be accompanied by an adult.

Due to the concealed carry laws, the Association, in accordance with Illinois laws, has voted to **ban weapons of any kind** from the Association building and the parks. See the signs. Once again, if you see problems, call the sheriff.

The Southern Illinois Power Cooperative (SIPC) has drafted NEW rules of the lake. Copies are on their websites. Please ensure that you read them and follow the rules. If you are a shoreline resident, please make certain that your shoreline agreement is up to date.

This is a sample of the information on their form.

Fishing limits

Crappie limited to 30 fish per day per fisherman

Largemouth bass = 4 fish per day L < 14" length and 2 fish > 16 in length

Walleye 14" minimum length—6 fish per day

Hybrid striped bass 18" minimum length—3 fish per day

Absolutely NO casting of lures within 10 feet of docks, boats or boat houses.

Boats are not to anchor, for picnicking or fishing within less than 100 feet of shoreline near residences.

Skiing and Jet skis are not permitted on the lake after sundown.

Every dock and every piece of equipment used on the water (boats, canoes, jet skis, etc) needs to be marked with both the subdivision number (EPB is 14) and the lot number. For example, the number 14-243 would identify Eagle Point Bay lot 243. Boats moored in the EPB parks could be marked 14-P1 for park 1 and 14-P2 for park 2. This will help with returns if things drift off. There is no rule about number size .

There are more rules, see the rules and regulations.

Every **Saturday morning**, building is open for coffee and conversation. You never know what you will find. Some mornings, we have ham and eggs, some mornings we have donuts. And we **ALWAYS** have tables full of neighbors and good conversation. Feel free to drop in. This effort is paid for through member donations to the box on the counter. It does **not** come from Association funds.

Don't forget the Library. You can find your summer reading at the building. **FREE** Every Saturday morning from 9-11 the library is available. Eagle Point Bay residents are all welcome to use it. No paperwork, no deadlines.

More **Nagging**

If you haven't renewed your membership, this will be your last newsletter. Please don't forget.

Boat dock owners, if you haven't paid your membership, and your dock fees, now is the time. Please remember that we require proof of liability insurance. Almost forgot, Please keep your docks in good condition and please do NOT tie your boats up to the support posts, this weakens the whole dock system.

Please restrain your pets. Dogs, on walks, belong on leashes. Don't allow your dogs to approach strangers or strange dogs without consent. Not every dog, even those on leashes, can be trusted.

This year, the Association sponsored an

Open House event.

On a Saturday in May, we asked all the realtors who had listings for Eagle Point Bay Properties, and all property owners who were selling their homes themselves, to open the houses from 2-4 pm. The Association opened the main building and all the parks so that prospective buyers could see all the benefits of buying in Eagle Point Bay. In the Association Building, we offered realtors and visitors coffee and cake as well as colored maps showing the locations of the open houses. In order to promote the event the Association also took ads in the Southern Illinoisan newspaper which ran for 3 days.

The goal, of the Association, was to ensure that local realtors were familiar with all that we offer residents. We hoped that this would ensure that new residents would become Association members. The event was a success. We were able to line up 14 open houses which were hosted by 9 separate real estate companies, and one bank representative, who made financial information available to those who were interested. We are grateful to all who participated. Visitors who came to the building were welcomed with free gifts from the realtor offices, maps, refreshments and answers to questions about the Association. We hope to do this again. Obviously, we are unhappy about losing current residents, but life is full of reasons to move. We want our new residents to feel welcome and well-informed about our Association.

Association Improvements!

If you've been down to park 2, you will notice that the ramps leading to the communal boat dock has been replaced. In addition, thanks, in part, to a \$750 .00 grant from the Lake of Egypt Association of Property Owners (LEAPO) the Association is repairing and updating the courtesy dock near the boat launch. Lumbert's Marina is doing the work, right now, and we expect the dock to be back in place in a couple of weeks.

Membership Drive!!

Members are the heart of the Association. We want to increase membership. Please tell your neighbors about the benefits of membership.

Ask them to join.
