RECENT SOCIAL ACTIVITIES

The Association had two enjoyable and successful events since the last newsletter. We celebrated Veterans Day with a "Taste of Eagle Point Bay". Members were asked to bring a potluck dish that reflected their background. And in December we held our Annual Christmas Party. Once again, the Association supplied the meat dishes (baked ham and fried chicken) and those who came, brought dishes which filled out the meal.

Santa found time to visit us, much to the delight of the young members. We hope he will return next year.

The good food, music, and decorations, made this feel like a large family dinner. We held a brief auction of mystery items and the "earnings" will be used to help purchase a new coffee maker for the kitchen.

Every **Saturday morning**, our building is open for coffee and conversation. We ALWAYS have tables full of neighbors and good conversation. Feel free to drop in. This effort is paid for through donations to the box on the counter. It does **not** come from Association funds

BOARD MEMBER DUTIES

This might be a good time to remind everyone about the duties of the Board members. Volunteers are always needed. Board terms are for three years. One third of the Board is replaced through elections every year, so that each Board has experienced directors and directors with new energy, ideas and insights. A 12 person Board ensures that two or three people cannot push through motions if the majority disagrees. The Board elects its officers every year, during their meeting following the Annual meeting of the Members. Officers are elected by the Board itself, and according to the Bylaws they can be removed from their officer positions by vote of the Board.

Our Bylaws are available on line at the Association Website, or by contacting the Association office. Roberts Rules guides any procedure question that is not covered in our Bylaws,

Board members are required to attend 7 meetings per year, that allows for 5 absences. On the 6th absence they are automatically removed from the Board, and no vote by the Board is necessary for this. We understand that life presents unexpected problems, and a Board member removed in this way, may run for the Board in the future.

Who can run for the Board? Any member who has been a dues paying member for one year prior to the election, may stand for office.

The Association need volunteers both for the Board positions and for Committee positions. Many Board members also volunteer to act as Committee Chairpersons, but any member may join a committee and act as its Chairperson. Committee Chairs present reports to the Board about committee activities throughout the year.

What Committees do we have?

Audit Committee (meets once a year)
 Budget Committee (meets once or twice a year)
 Buildings Committee
 Bylaws Committee (meets when changes are needed)
 Legal Committee
 Membership Committee
 Nominating Committee (now in session)
 Parks Committee (one main chair and one for each park)
 Roads Committee
 Safety and the Environment
 Social Committee

BOAT DOCKS

People who own the boat docks in our various parks are individually and collectively responsible for keeping their individual docking space in good repair. The Association has done its part in keeping the access ramps in good repair. If you owned a dock and didn't pay your dues last year (two people) your dock will be taken back by the Association as according to your agreement with the Association and it will be resold this year. This is a formal notice of our intent.

We have been asked about boat dock repairs.
