Dear family in Christ.

Greetings to you and it is our prayers that your holiday seasons went well.

October was busy as usual with Bible studies, teaching Bible classes, visiting the sick, preparing brochures and tracts, correcting Bible correspondence courses, and sending brochures and Bible materials to isolated Christians. In October 5703 visited our website from 82 countries.

In November I had to make a short trip to the states which was mandatory if I wanted to keep my USA driver's license. You see with all the

recent terrorists' attacks, the US government will no longer send driver license outside the country. Once I took care that and visited our home congregation in Hermitage PA, I drove down to Savannah, Georgia to visit with my sister and brother in law who has many health problems.

I decided to go to the Social Security office to find out about Rose and my retirement, since on June 2nd I will be 70. I had a surprise when I talked to the Social Security Agent as after I showed him my Social Security Card, he asked me the following question "Are you an immigrant of the United States or a US citizen ?" "I replied "Sir I have been a US citizen since 1973". Then he asked "Do you have a proof of your citizenship?" I said " Yes back in PARIS, France, well he said "Sir we don't have a record of what you are saying", so I told him about my American passport. So he said "That will be fine." I had to come back the following day since it was in my sister's house. The reason it was not in their record, was simply the fact that back in the seventies there was no computer and therefore everything was recorded in books.

I stayed with my sister three days and drove back to Delaware where our oldest daughter Anna lives and flew back home to Paris from Philadelphia.

No sooner then I arrived back home, we had the visit of Bob Black on his way back from mission work in Moldova. Then we had the visit of Doug and Paula Irving from PA. In fact we had not seen them since 1979, the year we left Sunset School of Preaching to go to France. He graduated just after me from Sunset, and went on to Indiana, PA where he preached for some time and afterward went back to teaching. While they were here he preached and taught at our Sunday night English worship.

Since his father landed in Normandy December 7th 1944 he wanted me to take him there to visit the beaches, so I drove, Doug, and Brother Steven Mendez from Caen there, and we spent one night in a bed and breakfast, but during the night I was sick. I was happy that I could do this for him since his father was involved with WWII.

While Doug was visiting a WW II museum, I talked to the lady who sold souvenirs. Her name is Esseba Elvire and she is from Cameroon, Africa and is a non practicing Catholic. I introduced Stephen to her as he lives only 40 minutes away from her. Since she did not have a Bible I gave her one since she seem interested and I sent her a BCC that she requested, but so far she has not yet returned the first lesson.

We had the visit at services from a brother from Mexico, Eluid Meza; he is presently in Toulouse, France for two years, getting a master's degree in Aeronautics. His grandfather and father are both preachers for the Lord's Church. He took the bus Saturday night to arrive in Paris the following day. And cost him \$200.00 just for the bus trip. I told him next time to come in Friday night and this way he could stay with us, so he would not be as tired.

Brother Steven from Caen, speaks Spanish and stays in contact with him and they are encouraging each other spiritually.

Sandrine Sookai, a faithful member of the church here and a college teacher received her doctorate degree after 5years of hard work. For the occasion her parents, Roby and Bernadette Sookai came from Guadeloupe. Her father is the Evangelist for one the congregations there. While visiting he preached for us, and of course we invited them to have a meal with us.

Through Imo or skype every Wednesday night the church in Cameroon listens to our Bible class. Technical progress makes it to be possible to be thousands miles away and yet be able to follow Bible class. In November we had 5,469 people visited the website from 82 countries.

I am continuing one to one Bible study with Rubenson who is really growing spiritually and wants to learn more, I am also continuing my study with Cecilia, and Jordy.

Jean Luc our neighbor is having family problems and often comes to talk to me and I always tell him that he should come to services and Bible class, but each time he tells me that he forgets. Sad because he followed a Bible correspondence course and at the end of the course he wanted to be baptized for the remission of his sins, but his wife told him I don't see why you want to be baptized, since you were baptized as an infant, and since his wife's intervention he always says "I am still thinking about it."

Several of our members are sick and had surgery, starting with Franck Delormel, Brother Alex Féquière and Alexandre Cumming.

Sister Daniell Vatin is losing her eye sight more and more! We pray and ask your prayers for these brethren also.

On December 2nd till the, 11 of us from the congregation went to the annual preachers retreat, altogether we were 56 present.

5,157 people visited the website from 86 countries and 493 tracts were taken from the racks.

December 22nd Olivia Dupros decided to obey the Gospel in baptism and that makes our 11th baptism in 2016 .To God be the glory.

Dear family and partner in the preaching of the Gospel, we want to thank for your spiritual and material support and its Rose and my prayers that God will richly bless you and us in 2017.

In Him, Roland
