MATERIAL SAFETY DATA SHEET

AlumBrite

EMERGENCY TELEPHONE 1-800-535-5053 (INFOTRAC)

DESCRIPTION

Trade Name:	AlumBrite
Chemical Name:	Rust stain remover, Aluminum Brightener
HMIS Rating:	Health 2 Flammability 0 Reactivity 1 Personal Protection J
Dot Ship Class	Non-Regulated
Emergency Response Guide Number	None Listed

HAZARDOUS INGREDIENTS

Components	Cas #	%	OSHA PEL	ACGIH TLV	Other Limits
Sodium Bisulfate	7681-38-1	<50	NIA	NIA	
Ammonium Bifluoride	1341-49-7	<20	2.5 mg/M3	2.5 mg/M3	

PHYSICAL DATA

Physical State	Clear to yellow liquid
Appearance and Odor	Characteristic Odor
pH	5-6
Melting Point	N/A
Boiling Point	212° F
Vapor Pressure (mm Hg)	Same As Water
Vapor Density (Air = 1)	Same As Water
Solubility in Water	Complete
Percent Volatile (By Weight)	50 ±
Specific Gravity (H ₂ O = 1)	1.18
Evaporation Rate ((H ₂ O = 1)	1.00
Water Reactive	Non Reactive

FIRE and EXPLOSION DATA

Flash Point	N/A
Auto-Ignition Temperature	N/A
Lower Flammable Limits in Air (% by Volume)	N.I.A
Upper Flammable Limits in Air (% by Volume)	N.I.A
Fire Extinguishing Agents Recommended	N/A
Special Fire Fighting Precautions	Wear self-contained breathing apparatus approved by NIOSH.
Unusual Fire and Explosion Hazards	None

AlumBrite

REACTIVITY DATA

Stability	Stable
Decomposition Products	NO _x , CO _x on combustion
Hazardous Polymerization	Will Not Occur
Incompatibility	Avoid Alkalies, Oxidizers or any reactive material, acid will produce hydrofluoric acid
Conditions to Avoid	Extreme temperatures

HEALTH HAZARD DATA

Inhalation	High mist concentration can cause irritation. Remove to fresh air. Call a physician if any difficulties persist.
Ingestion	May be fatal if swallowed, affects respiratory, circulatory, nervous and renal systems. Affects the skeleton. Do not induce vomiting. Dilute by giving large amount of water. Get immediate medical attention.
Skin	High mist concentration can cause irritation. Flush skin with water for at least 15 minutes. If irritation persists, get medical attention.
Eyes	High mist concentration can cause irritation. Immediate flush eyes with water for 15 minutes. Get medical attention immediately.
Unusual Chronic Toxicity Carcinogen Listed in	None Known Not Listed

PRECAUTIONS FOR SAFE HANDLING AND USE

Leak and Spill Procedures	Spills should be handled immediately by neutralization and dilution of the spilled product by the use of soda ash (sodium carbonate), lime (calcium hydroxide, calcium oxide) with large amounts of water. For an interior (inside a closed space) spill be aware that the use of soda ash and limestone will evolve carbon dioxide and that ample ventilation be provided.
Handling and Storing Procedures	Avoid contact with skin, eyes, or clothing. Do not inhale mists. Use normal personal hygiene and housekeeping.
Waste Disposal Methods	As per Local and Federal Regulations. This material is not a solid waste when discarded into a domestic sewer according to 40 CFR 261.4. For disposal otherwise consult your local and Federal regulations.
Other Precautions	Restrict exposure of those with central nervous system, kidney or liver disorders.

SPECIAL PROTECTION INFORMATION

Respiratory Protection	NIOSH Approved Respirator
Protective Gloves	Rubber Gloves
Eye and Face Protection	Chemical Splash Goggles and/or Face Shield
Ventilation	Local Exhaust
Other Protective Equipment	Rubber Apron, Eye Wash, and Quick Drench Shower.

AlumBrite

SARA TITLE III REGULATORY INGREDIENT INFORMATION

Title III Section 302/304 Extremely Hazardous Substance List and/or CERCLA Hazardous Substance List.

Component:	Ammonium bifluoride
CAS #:	1341-49-7 (CERCLA)
Percent:	20 (CERCLA)
TPQ (lbs)	100 (CERCLA)

Title III Section 313 Toxic Chemical Annual Release Reporting Requirements (SARA Section 313 Toxic Chemical List).

Component:	None
CAS #:	
Percent	

USER'S RESPONSIBILITY

The information and recommendations contained herein cannot cover all possible situations that the user may experience during processing. Each aspect of your operation should be examined to determine, if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customers. It is your responsibility to use this information to develop appropriate work practice guidelines and employee instructional programs for your operations.

DISCLAIMER OF LIABILITY

As the conditions and methods of use are beyond our control, we do not assume any responsibility and expressly disclaim any liability for any use of this material. Information contained herein is believed to be true and accurate. All statements or suggestions are made without warranty, expressed or implied, regarding the accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local laws and regulations remains the responsibility of the user.

Revision Date: April 2009
