

# Material Safety Data Sheet

## Section 1: Company and Product Information

### Product Identification

Name: Alondra Powder Detergent 3X	Code No: LP1-17, LP1-25, LP1-50
-----------------------------------	---------------------------------

WET International, Inc.  
316 Roma Jean Pkwy.  
Streamwood, IL 60107  
Tel: 630-540-2113

**Emergency Response #: 800-535-5053 Infotrac**

## Section 2: Composition/ Information on Ingredients

Name	CAS #	%	ACGIH-TWA	EPA TSCA	SARA Title 313
Sodium percarbonate	15630-89-4	<10	5 mg/M3	Listed	No
Sodium carbonate	497-19-8	<40	None established	Listed	No
Other ingredients: dye, anionic and non-ionic surfactants					

## Section 3: Physical and Chemical/ Reactivity Properties

Appearance: Bluish powder	Stability: <input checked="" type="checkbox"/> Stable <input type="checkbox"/> Unstable
Odor: Fresh characteristic odor	Boiling Point: N/A
pH: N/A (5% in water 10.2)	Melting Point: N/A
Solubility in Water: Soluble	Vapor Pressure: N/A
Conditions to Avoid: Acids, moisture, extreme temperatures, organic materials. This product contains an oxidizer	Hazardous Decomposition Products: COx, NOx, Oxygen and Hydrogen peroxide

## Section 4: Fire and Explosion Data:

Flash Point: N/A	Flammable Limits: LEL: N/A	UEL: N/A
Extinguishing Media: Dry chemicals, CO2 or water mist		
Special Fire Fighting Procedures: Firefighters must wear SCBA		
Unusual Fire or Explosion Hazards: Liberate O2 when heated.		
HMIS Hazard: Health: 1 Flammability: 1 Reactivity: 1 Scale: 4=Extreme, 3=High, 2=Moderate, 1=Slight, 0=Least		

## Section 5: Health Hazard Data

Toxicity: Acute: Irritation to skin and eyes. Irritation to mucous membranes	Chronic: Irritant to skin and eyes.
Primary Route of Entry: <input type="checkbox"/> Inhalation <input checked="" type="checkbox"/> Ingestion <input checked="" type="checkbox"/> Skin	Carcinogenicity: <input checked="" type="checkbox"/> None <input type="checkbox"/> OSHA <input type="checkbox"/> NFT <input type="checkbox"/> IARC
Target Organs:	Eyes and skin.
Over Exposure:	Ingestion may affect the cardiovascular system and contact with skin may cause irritation

## Section 6: Emergency First Aid Procedures:

Eye Contact:	Flush with flooding amounts of water. Gently lift the eyelids to rinse. Call for professional medical help
Ingestion:	Contact the poison control center or call 911. Never give anything by mouth to an unconscious or convulsing person.
