

**HARTRIDGE ACADEMY –A Public School of Choice**  
WAITING POOL APPLICATION **2019-2020** GRADES K - 5

**Hartridge Academy** is a FREE public school of choice. We have public school transportation and the school lunch program. **Some families qualify for free or reduced rates for meals and childcare.** Before and after school care and free preschool is available by licensed childcare providers on or near our site.

You may apply to more than one school of choice. You may apply even if you already attend another school of choice.

**The open enrollment period for our 2019-2020 school year is October 16, 2018- October 30, 2018.**

Applications postmarked during the open enrollment will be considered as received on one date, **October 30, 2018.** If the number of valid applications exceeds the number of spaces available for each grade or class, a random drawing will take place. A waiting pool will be created for remaining applicants. Parents should receive a letter or email confirming receipt of the application within four weeks of its arrival. Please call Hartridge if you do not receive an acknowledgement within four weeks.

During the enrollment period and throughout the year, priority for available spaces is given to: siblings of Hartridge students, Hartridge employees' and board members' children, and students living in the Lake Alfred, North Winter Haven, and Auburndale area.

**If you do not respond to the acceptance notification, you will be removed from the pool and required to reapply.** If you decline an offered position for your child at any time, you must send a new application for the pool, should you desire a position in the future.

**Your child must have been born before September 2, 2014** to qualify for grade K-5. If your child is younger, please call 863-956-4434 for information regarding **FREE PRESCHOOL** opportunities.

**If your application is randomly drawn, additional documentation will be required by us, the PCSB, and other agencies, at a later date for use during the conferences and/or registration period.**

A return address, phone number AND email is required on your application envelope.

**Applications are discarded at the end of the school year. A new application is required each year until enrolled.**

Your signature is required as acknowledgement that you have read both sides of this application.
