Registration

International Journal of Integrative sciences, Innovation and Technology (IJIIT) is a bimonthly International double blind peer-reviewed journal and invites original Mini-reviews, Short communication, tutorials, original research articles and review articles from researchers in all branches of science, management, engineering, medical sciences and allied bio-sciences.

IJIIT is self-supported and depends on support from the authors and other sources both financially and in promotion. The aim of this journal is to provide an online open platform for publishing papers. In spite of this noble intention, we solicit support from authors and any other sources, in the form of a nominal Registration fee that can be utilized for the operations of our journal such as hosting charges, domain management expense, editorial expenses, internet bandwidth charges, copy editing charges, etc. In this regard we request authors and fellow researchers to share the expenses in the form of registration fee and keep this platform free-of-cost to fellow researchers.

Processing of the manuscript

The manuscript submitted for publication in IJIIT undergoes editorial board review and double blind peer review from the experts in the concerned field. Initially the editorial board scrutinizes the suitability of the manuscript for publication. The board also looks into the technical aspects of the manuscript and after satisfactory review the manuscript is subjected to double blind peer review. The opinion of the peer reviewer will be conveyed duly to the authors and vice-versa. The article may be rejected or asked for revision at any point of above review till the manuscript is modified until suitable for publication.

Publication Charges

The journal does not charge any article submission or publication fee, however a minimum amount towards reviewing and processing of the article is charged which will be communicated to the authors. Letter to editor is non-chargeable.

Article Processing Fee - IJIIT

We charge a nominal fee of Rs 1500/-per Author (Indian authors) or US\$ 30 per Author (Foreign authors) as a part of Article Processing fee. Quality articles and increased frequency of publishing with us may get exemptions from the above charges which are at sole discretion of the editorial board.

Certificate of Appreciation (Hard Copy)

As a special gesture and a token of gratitude for the contribution to development of science and also publishing with us, a Certificate of Appreciation will be issued to the authors upon request, subject to terms and conditions. The Issue of Certificate of Appreciation would cost Rs. 300 or US \$15 per author.

Fee for the above can be paid by either direct account transfer or through draft/ cheque, for which the details will be mailed after acceptance of manuscript.

Foreign authors can send the amount via Western Union Money transfer/ Wire transfer.

Registration policies:

All articles will be accepted for publication only after receiving the positive reviewer comments.

Research scholars and students are also eligible to publish articles.

Registration fee is non-refundable in any case.

All registration related queries should be addressed only to editor.ijit@gmail.com

For further details about registration and to know about various other ways you can support us please send a mail to editor.ijit@gmail.com or president.agsi@gmail.com

Disclaimer:

International Journal of Integrative sciences, Innovation and Technology (IJIT) have been established with an aim of disseminating scientific information via online open access peer reviewed journals. Registration fee paid towards registration of IJIT is only to make the author eligible for publishing articles in IJIT and not to be a member of IJIT core team. The fee paid is towards the expenses incurred towards managing the site, operating the site, funding the growth of site, article processing expenses, other miscellaneous expenses that are to be shared by the authors who publish through us. It is a model journal which is maintained by the sharing of operating costs of the journal by the authors and researchers as registration fee. IJIT journal provides a platform for researchers to publish their research work at optimal cost incurred in the publishing process.
