

4.0 Faculty Professional Development Needs of Transitioning and Online Faculty

ILN Event and Annual Meeting

(The annual meeting and luncheon is free for all members)

Purpose:

When teaching in the world of the online classroom what professional development does a faculty member need to utilize the online classroom in the most effective way? Let's look at the areas of need and what you can do to better yourself in this area, no matter how much or how little you use the online classroom.

Objectives:

- 1) Discuss experience based PD needs of online instructors (includes any course with an online component).
- 2) Identify 5 key dimensions of online instruction.
- 3) Discuss examples of Best Practice for each of the 5 dimensions.
- 4) Collaborate with peers to address personal developmental needs, based on selected dimension.
 - a) Virtual interaction
 - b) Technological resources
 - c) Course structure
 - d) Course content migration
 - e) Course alignment
- 5) Create an individualized professional development plan related to the identified need.
