*As for me and  
my house,  
we will serve  
the LORD.*  
Joshua 24:15b

Dear Friends,

As missionary staff here at FamilyLife, we are a one-to-many ministry so we faithfully do the work before us and leave the results to God. When Larry was an event planner, over eight years ago, someone called him wanting their son and daughter-in-law to attend. Larry gave them his phone number so he could be available to help and details fell into place and this young couple's lives were changed! This past year he received a four-page letter from a grateful mother who has traveled a hard road but has seen the transforming power of God.

Where might you, like Larry, be going through your day, doing what the Lord puts before you and He takes your obedience and uses it for His glory!

If you'd like to read the whole letter, we are enclosing a copy. As a partner in our ministry, this thanks is for you as much as it is for Larry! Thank you!!

**Mark your calendars for May 1st and 3rd.**

FamilyLife will be releasing a full-length feature film, Like Arrows. Parenting is a journey. When rebellion creeps into their family, Charlie and Alice realize their approach to raising children isn't working, and they start searching for answers. But is it too late? FamilyLife's first feature film explores the joys and heartaches of parenting. Through a story that unfolds over 50 years, Charlie and Alice discover the power of family and their need for God. Produced by Alex and Stephen Kendrick, Dennis and Barbara Rainey, and Bob Lepine, and directed by Kevin Peeples, Like Arrows comes to movie theaters nationwide for two nights.

## *Please pray for us...*

Monday, February 12th, I am hosting a **Tour Team Luncheon**. I want to appreciate our tour guides and have them trade tips and stories that help make tours great!

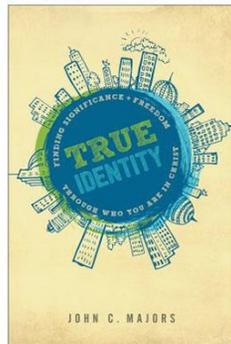

Please pray for **Naomi's placement**. Medicaid has decided to stop funding her current facility. We are expecting to see the Lord provide!

Please pray for us as we are **learning new software** to manage our donations. We are trying to learn it's bells and whistles and may have some hiccups as we learn!

Praise God the **water pipe is repaired** here at our office building. After two days without water, we all appreciate being able to flush again!

## Parents of Teens...

There are a lot of sources that teens turn to in their search for a personal identity, all the different types of media, celebrities, people around them. This can lead many teens to form a mixed up, and even flat out wrong view of who they are supposed to be. Our true identity, no matter how old we get, can only be found in Christ. John C. Majors' True Identity does a good job of relating this idea to teens. **If you would like a copy of this book, just let us know and we will send you one!**

If you are a **financial ministry partner** and would like to attend a Weekend to Remember, we have a special reduced rate of **\$39/person** as our appreciation to you. Just contact us and we will get you signed up. In the past, we have mailed paper certificates to everyone, and only one or two are redeemed. To save the paper and time, we are letting you know that it's a great deal and just let us know! This rate is completely transferable so look to be a blessing to someone!

## Please email me to switch from paper to email newsletters!

They are much more fun with videos and clickable links! With our new software, we've reduced our paper letters from 180 to 60 which helps the budget. Also, we may have picked up some people who haven't heard from us in awhile. If you'd like to be removed from our list, just let me know. We want to make best use of God's resources! **As always, we are so grateful for you, our partners in ministry.**

**For godly homes,**

*Larry and Lynn*
