

# my memories Project 52

Hi again! Welcome to week 23 of the MyMemories Project 52 Series! Can you BELIEVE we are almost halfway through the year already?? When did THAT happen? Well, this week's word is something FUN, it's all about PLAY! Summer time is a great time to relax and have some FUN with your family! Make sure to pack the camera and some extra memory cards for the trip! It is awesome to catch those fun sun-kissed freckly faced images for the scrapbook pages that we will work on LONG into those cold winter nights! So make sure you take along a camera - even the one on your phone is great, so you don't miss a minute! Have a SAFE and happy summer!

# Play!!!

Take time this summer to PLAY with your and smell the roses, and get your feet wet in LOVE to see you enjoy yourselves too and in the action and let them take silly pictures of YOU too! This makes it part of the fun instead of yelling, "Stop goofing around and SMILE"! Enjoy those unposed shots this summer! Make a list of your "MUST-HAVE" pics and photos for the summer and make SURE you grab them when you can!! We all know the clock seems to speed up in the summer and it will be gone in the blink of an eye! So, slow down and enjoy the warm months ahead with your family - and don't forget to stock up on those photos to keep you busy this winter!

kids! Take time to stop the ocean or lake, or handy mud puddle! Kids when you bring out the camera keep yourself
