

Planning Applications

Copies of Planning Applications for Llanwrtyd Wells are sent to the Town Council by Powys County Council Planning Department, and these are considered for comment, usually at the monthly meeting held on the third Wednesday of each month.

Members have 21 days from the date of receipt of the plans to make any comment or objection they see fit, however the ultimate decision for approval or denial of the plans lies with Powys County Council.

If there is a Planning Application that you would like to see, please make contact with either the Town Clerk on 01591 620 287, or Councillor Ainsley Jones on 01591 610 487, and arrangement for viewing the application in the Council Chamber will be made.
