The purpose of the Polish American Citizens Club is to foster camaraderie, culture, charity and community involvement.

As a social organization we provide members and their families a comfortable setting where they can relax, meet new people and enjoy the company of friends.

We annually celebrate October as Polish Heritage month with a program at Lyndhurst Town Hall, we organize trips to cultural events and we support the Polish School for individuals that wish to improve their speaking, reading and writing skills.

As a charitable organization we sponsor events and contribute to community, cultural, educational, and other non-profit organizations, as well as, provide support for personal and family hardships.
