

Royal Arch Masons of Manitoba Grand Convocation 2019

**Ladies Program;
Saturday, April 6, 2019**

Dear Ladies,

I am looking forward to the weekend in Portage La Prairie. I will join you at all the general activities and meals.

We do have two activities planned just for the Ladies on Saturday morning in the Hospitality Room. Please join me for a morning of conversation and crafting.

Between 8:30-10:00 AM. we meet in the Hospitality Room for coffee and a light breakfast.

**10:00 AM-12:00 Noon - Hospitality Room.
Heirloom Tea Cup Pin Cushion Craft.**

Please bring a china teacup and saucer.

There will be no damage to your teacup and saucer in any way.

If you wish, this could also be a vintage piece that has crazing (tiny cracks in the glaze making it unsuitable for drinking).

If you have a piece of linen that colour coordinates, you may wish to use this for the cover of the pincushion. (Pillowcase, tablecloth, doilies, garment) This piece will be cut to fit.

This is a nice way to use a part of a linen that is damaged or worn beyond normal use, but has sentimental value. A dainty hankie can also be incorporated into the project.

All other construction materials provided.

There will be a supply of extra teacups and linens if you do not have.

Please join us for a fun morning and take home a treasure.

Best Wishes,

Brenda Speirs-Fryatt
